The BRONZE BOOK 1926

Volume XIV

*Edited and Published Annually by the Students of
Central State Teachers College
Edmond, Oklahoma*

Dedication

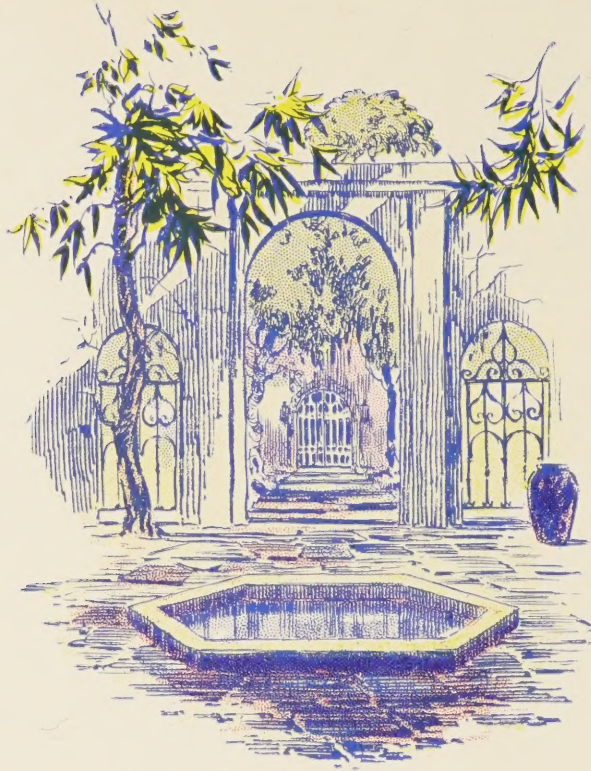

TO

A. EMMA ESTILL

Who has always been a friend and benefactor of the student body, an untiring servant of Central and of the public for fifteen years, who has won a place in the heart of every member of the student body through her ever increasing interest in our welfare, her earnest teachings and without whose able assistance this Annual would not have been a possibility, and in appreciation of her loyalty, we the Seniors, do respectfully dedicate this volume of the Bronze Book.

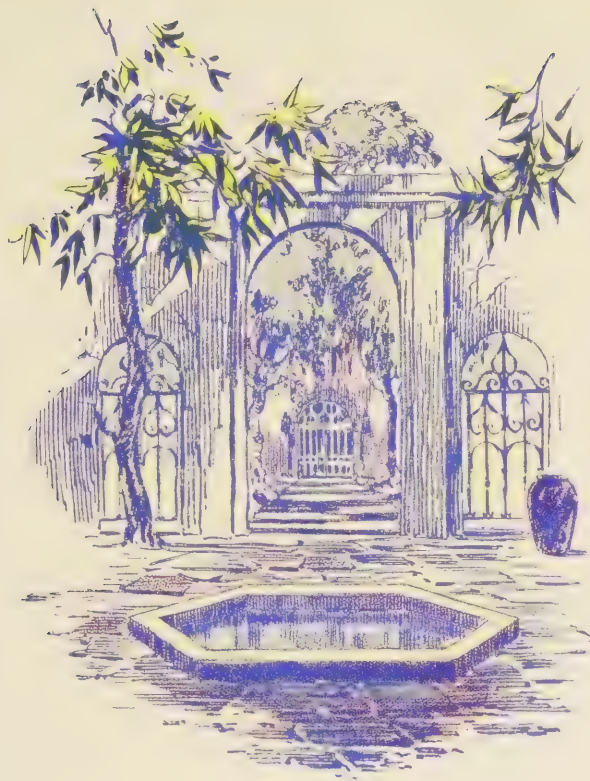

FOREWORD

In completing this book, those, who are responsible for its being, have as their ideals a book which will faithfully portray everyone of the changing aspects of college life as it has been in this year 1926. With earnest desire that its pages will bring together more closely the various departments of the College and keep fresh in our memories this year of increased student activity and college spirit, this 1926 Bronze Book has been published.

John G. Mitchell

The development of Central State Teachers College, under the supervision of President Mitchell has been very rapid. The high standing of Central and the improvements in the system here are results of his work.

The President's Slogan: Acquiescence to Authority, Obedience to law, Respect for others, Mastery of self, and Joy in service should be the slogan of every school and College in the United States.

For his active part in the success of this College we thank President Mitchell and sincerely hope the same administration and good work may continue.

Heads of The Departments

Fred McCarrel, A. B., A. M.

TRAINING SCHOOL

The home of the Training School is historic "Old North Hall". Here is furnished a typical grade and high school situation, where demonstration work and practice teaching are carried on. The aim is to set a high standard of attainment for the pupils; and to arouse an attitude of alertness, interest and enthusiasm on the part of the teachers in training.

The Training School also serves as a laboratory for the department of Education. Classes in educational measures, methods and applied psychology make use of the rooms for studying educational problems in the concrete.

Central is looking forward to a much needed expansion of the Training School, which will be possible with the completion of new class-rooms in the Administration building and the transfer of college classes from Old North Hall to these rooms.

A. Emma Estill, A. B., M. A.

HISTORY DEPARTMENT

The Department of History has grown to be one of the largest in Central. Believing that the history of past civilizations is of value to the student of the present, the instructors in this Department feel that a good foundation for future study and practical application should be made. We desire to make history and government real, to instill into students the fundamental principles underlying the social and economic problems which they must teach and will meet in every day life.

Besides the required courses offered, many new electives are added each term. Some research work is done and current topics are stressed. We have a museum which contains many rare and valuable bits of material and information which could not be found elsewhere. Much stress is placed on United States government and Oklahoma government, since the students of today are the citizens of tomorrow.

Heads of The Departments

COMMERCIAL DEPARTMENT

The Commercial Department is no longer considered a novelty but is attracting an earnest group of students who realize that it combines an opportunity for employment while in college with a preparation for teaching in a field not yet overcrowded.

But the utilization value is not the only one enjoyed. There is a distinctly cultural element although in the past it has been seldom recognized. The mastery of typewriting, for instance, necessitates the exercise of the virtues of perseverance and accuracy. Judgment is called into play in deciding upon the most attractive arrangement for a given copy. Each of the subjects offered in the department has many cultural aspects and a conscientious student will find himself rewarded not only in a material way but also in an increased ability to master other problems.

Dorothy Fry, A. B.

ATHLETICS

Physical Education is one of the oldest Departments in the history of our Education. Although the ancient Greeks seemed to have realized its value more, and centered their entire education around it, the early American Institutions gave it little recognition. Of recent years, however, no school is complete without an active and serviceable Physical Education Department.

Central State Teachers College has complete courses of training for women and men. More stress is put on playing of games, as it is felt that this development is moral as well as physical. An opportunity is offered to all students to learn the major College sports, and the most useful Plays and Games for the school ground.

The most interesting phase of the Woman's Department is the Woman's Athletic Association. Through competition in many sports, about twenty girls are granted sweaters each year. Although no Intercollegiate games are played, interest is very high and a great many girls benefit by this play.

The men of Central represent the school in Intercollegiate Competition in football, basketball, wrestling, track and tennis. About fifty boys earn their letter in these sports each year, and about one hundred others tryout for the teams. These teams have won more Championships in the last few years than any other Conference Member.

Edgar Wax, A. B.

MATHEMATICS DEPARTMENT

The Mathematics Department of Central State Teachers College, once occupying only a minor place in the curriculum, has attained a position of major importance on every schedule.

The primary purpose of this department is to provide sufficient training for young men and women who wish to become instructors in this branch in high schools over the state or to equip them with a sound basis for higher mathematical training in Universities. Another aim for teaching this science is because of its importance in the other sciences. A noted educator said, "A science is exact only in so far as it employs mathematics." Physics and astronomy are the most exact sciences but chemistry, geology, economics and physiology all use it in solving their problems.

Thirty-nine semester hours of mathematics are offered by this department, making it possible for a student of Central to do his major work in this science.

Photo by Watton

Gladys Cox, A. B., B. M.

MUSIC DEPARTMENT

The purpose of the Music Department is twofold; first, to prepare those going out to teach to meet the demands of supervisors and boards of education along musical lines in both the grade and high schools throughout the state; second, to deepen in those who do not intend to teach their appreciation for music that is really worth while.

Three kinds of certificates may be obtained: a life certificate, a five year state certificate, or a temporary certificate for one year. There is a marked increase in the number of certificates being granted this year.

Besides the theory courses such as public school music, harmony, appreciation and history, students may obtain private lessons in piano, voice, and violin for which work credit in the college may be received.

The organizations in the Music Department are very active in the entertainment life of the school. Opportunity is given to students to enter these organizations through tryouts.

Heads of The Departments

EDUCATION DEPARTMENT

Since sound practice in any field of human endeavor must rest on sound and proved principles of action, the department of education is continuing its allegiance to these principles in educational matters. New principles are not finally approved until their validity has been tested out in class-room practice. Practice teaching in our Training School and observation in both the Training School and the public schools serve as laboratory practice for the department.

The department has added a few new features during the past year. A junior high school for observation and practice teaching has been added and a full time Rural Education man has been added to the regular faculty. It is probably not presumptuous to say that the department is now better able to serve the educational needs of the state than it has ever been in its history.

Photo by Watton

L. B. Ray, A. B., M. A.

HOME ECONOMICS DEPARTMENT

To instill into the minds of the girls a higher ideal of the profession of Home Making has been the aim of the Home Economics Department. To meet the increasing demand for training for work, which a large per cent of the girls will engage in, has been of later years more and more imperative. Since the girl spends much of her time in the school room from six to eighteen years, that is where the training must be.

The department especially tries to emphasize the relation of the home to the community and the necessity for good homes before we have good citizens. The need of and opportunity for the development of the beautiful in relation to all the phases of home making is strongly emphasized. The mechanical side of the work is taught so that the endless duties of the housewife may be lessened.

Seven degrees in Home Economics were granted last year with an increase this year. Besides the degrees there were a number of Home Economics certificates issued. All of which tends to show that the girl of today is just as interested in the home as was the girl of any other generation.

Cliff R. Otto, A. B., M. S.

CHEMISTRY AND BIOLOGY DEPT.

Chemistry and biology are rapidly gaining in popularity with the student body at Central. The outstanding problem of the Department this past year has been to get an adequate instruction staff to handle the numerous students who demand work of this nature. The classes are crowded to the limit and many more students could be easily had for the Department were it possible to offer more classes in these subjects.

This growth has been brought about by several causes. There is an increasing demand on the part of students all over the country for more training in science. The demands on the part of the public that the schools take a leading part in health conservation have made courses in physiology and hygiene necessary for the successful teacher. Bionomics, which is a course in human biology, has been required for graduation in an attempt to awaken public interest and conscience in human betterment. These factors, coupled with an insistent demand for better trained science teachers, account for the Department's growth.

Photo by Watton

Francis Coram Oakes, A. B., M. A.

ENGLISH DEPARTMENT

The department of English offers work in sixty-eight different courses. Most of these courses offer some opportunity for study; but some of them are easier than others. The easy ones are ordinarily the most popular. Several of these courses are courses in English composition. These courses are for those who desire to acquire a satisfactory personal English. In these courses the student does the work and gets the benefit. The courses in Literature are different. Those who look for snap courses are most eager to take courses in Literature. Courses in grammar and composition are called "practical". The teachers of English urge you to take these practical courses. Also, the teachers of English urge you to watch your English in all other classes and on all other occasions, always. It takes a considerable time to win a good speaking and writing English—usually from five to fifty years.

Heads of The Departments

INDUSTRIAL ARTS

There are two types of people in the world. One type is symbolical minded and these find pleasure in expressing themselves in the abstract. Another class is the so-called motor minded and prefer to express themselves in some concrete way. These people find that the Industrial Arts Department is an ideal place to express themselves. If they are of artistic temperament they can find a field that is unlimited as to the manner of expressing their ideas. If, as some do, they have a creative instinct, there is no place in the entire school curriculum that they can find as much opportunity to express their ideas.

In mechanical drawing there is a chance for expression in both the concrete and abstract. It goes without saying that the whole department is a practical and useful department in which are taught any number of useful types of work.

Photo by Watton

E. L. Chase, B. S.

DEPARTMENT OF AGRICULTURE

The Department of Agriculture offers courses in general High School Agriculture, Animal Husbandry, Agronomy, Dairying, Poultry, Soils, Fertilizers, Farm Management, Landscape Gardening, Vegetable Gardening and other phases of the subject. The number of students taking the work at any one time during the regular year is between two hundred and two hundred twenty-five. During the summer term this number is about doubled.

This school is fortunate in having a large demonstration farm within walking distance of the class room, which the students in agriculture visit to study farm machinery, field crops, terracing, barn structure, dairy management, poultry raising, farm layout, soil conservation and fertility, and general farm management. While the emphasis is still placed upon human culture and the development of the individual, nevertheless, there is abundant opportunity for the study of the practical in this Department.

W. C. Jamieson, A. B.

Heads of The Departments

Photo by Watton

Otto Jeffries, A. B., Ph. D.

FOREIGN LANGUAGE DEPARTMENT

The Foreign Language Department directs its work on the general theory that anyone who is willing to study consistently, day by day, for a reasonable time can master any of the courses the Department offers. Special genius is not required, but a determined effort is necessary for success. "Labor omnia vincit"—sums up the whole proposition.

The increased demand for well prepared language teachers in the state, and the requirement of two years foreign language for the A. B. degree continue to keep the classes well filled. Furthermore, the requirement of at least two years in the same language, if the work is to be counted toward graduation, is certain to be universally adopted in Oklahoma colleges in the near future.

The Spanish classes have been so large this year that the service of another teacher for three classes have been required. Interest in French is gradually increasing. Latin continues about on an even keel with a slight increase.

Ruby Canton

THE LIBRARY

"The place that does contain
My books, the best of companions, is to me
A glorious court, where hourly I converse
With the old sages and philosophers;
And sometimes, for variety, I confer
With kings and emperors, and weigh their
counsels."

The Library is an integral part of Central State Teachers College. It contains about 18,000 volumes of carefully selected books, pamphlets, and bound periodicals, including a wealth of material on education and teaching. Although it is essentially a reference library, students are encouraged to learn the use of books as a means of recreation, amusement and inspiration, and to cultivate a taste for good reading. The juvenile library provides for the children in the training school and serves as a model for students who intend to become teachers.

Heads of The Departments

CORRESPONDENCE AND EXTENSION DEPARTMENT

When Cora Wilson-Stewart of Kentucky brought education to the illiterate mountaineers throughout the moonlight schools, she was but extending the radius of the correspondence and extension work begun and carried on by our colleges and universities for more than twenty years. Central, always a pioneer, was among the first in Oklahoma to feel the need for extramural work among teachers. With increased demand, the Department has grown enormously in the last few years.

During the past year this Department enrolled 912 Correspondence students and 659 Extension students. New courses are now being offered in Primary and Rural Education and Commercial work.

This work is especially helpful to students living in towns and communities where accredited high schools have not been established and to grammar and high school teachers who can not avail themselves of residence work.

Photo by Watton

W. E. Scott, B. S.

REGISTRAR

The student may choose his course and his instructors, but no student can complete a course in Central without coming in contact with the Registry Department. It matters not how much a student may do, or how efficient he may become, it avails him little unless there is an accurate record of his work kept. Accurate records of all the work done in Central, since the founding of the school in 1891, are kept in fire proof vaults.

This office keeps the students informed of the requirements for the different certificates and degrees, and assists them in selecting their courses to meet these requirements.

Students should feel free at any time to consult the Registrar concerning their courses.

Heads of The Departments

Photo by Watton

Ernest Howell, A. B.

PHYSICS DEPARTMENT

The Physics Department of Central State Teachers College has made a very decided growth in the last few years. There are at present seventy-five students taking some course in physics, in the College Department. The first year the school was made a College there were only five students enrolled in this work.

There are several reasons that account for this rapid growth. In the first place the enrollment in the College has materially increased. In the second place some physical science is required for a degree. In the third place many students come here to do their pre-med work to avoid the large classes in the larger colleges and universities. In the fourth place there is a growing interest all over the world in all kinds of scientific work especially in physics and chemistry. Lastly, there is a great demand for trained science teachers in the public and high schools of the State.

Photo by Watton

Virginia Gresham, A. B.

ART DEPARTMENT

"The true purpose of Art of Teaching is the education of the whole people for appreciation."

The art course has two distinct aims. It must take the student's instinctive creative impulse for self-expression and convert it into discrimination, refinement, and taste. At the same time it must give such technical training as will secure the student varied experiences, that later will be useful in whatever field of Art his life work shall develop.

The courses are planned for a progressive growth in appreciation and power of expression, developing freedom and skill in drawing, painting, modelling and construction. The work is intended to be primarily an exercise of the mind, aiming for power rather than superficially pleasing result. The courses include: Design, Drawing and painting from nature, cast and life drawing, landscape composition in charcoal and oil, History of Art, History of American Painting, and History of American Sculpture.

Department of Rural Education

Photo by Watton

J. L. McBrien, M. A.

Central State Teachers College has recently added a new department—Rural Education and Community Activities—so as to do her part in the forward movement launched and directed by the State Department of Education for better rural schools in our great commonwealth. The head of this department will give half of his time during the regular school year to teaching classes at the college. The other half of his time will be at the service of the County Superintendents of the fourteen counties in Central's territory to assist them in establishing Model Schools in accordance with the Score Card of the State Department of Education, and to assist them in promoting consolidation where practicable, and where impracticable to lend a hand in making the one-teacher rural school the best school it is possible to make it with a teacher adequately prepared.

Rural dramas as "Back to the Farm", "Kindling the Hearth Fires", "As the Twig is Bent", and such patriotic pageants as "The Patriot of Mount Vernon", "The Continental Congress", "To Arms for Liberty", and "The Building of the Nation", would put the rural people in possession of all the rich heritage of the race.

*Deceased.

In Memory

Edmund Dandridge Murdaugh, Ph. D., L. L. D.

Associate Professor of Education

and

President Emeritus

Born November 18, 1853

Died May 25, 1925

Dr. Murdaugh came to Oklahoma as a pioneer educator and devoted the best years of his life to the cause of higher education. He came to Central in 1895. After many years of faithful service as Associate Professor of Education and as President Emeritus, he died in Edmond, May 25, 1925.

In Memory

Mrs. Ella Corr, A. B.

Assistant Librarian

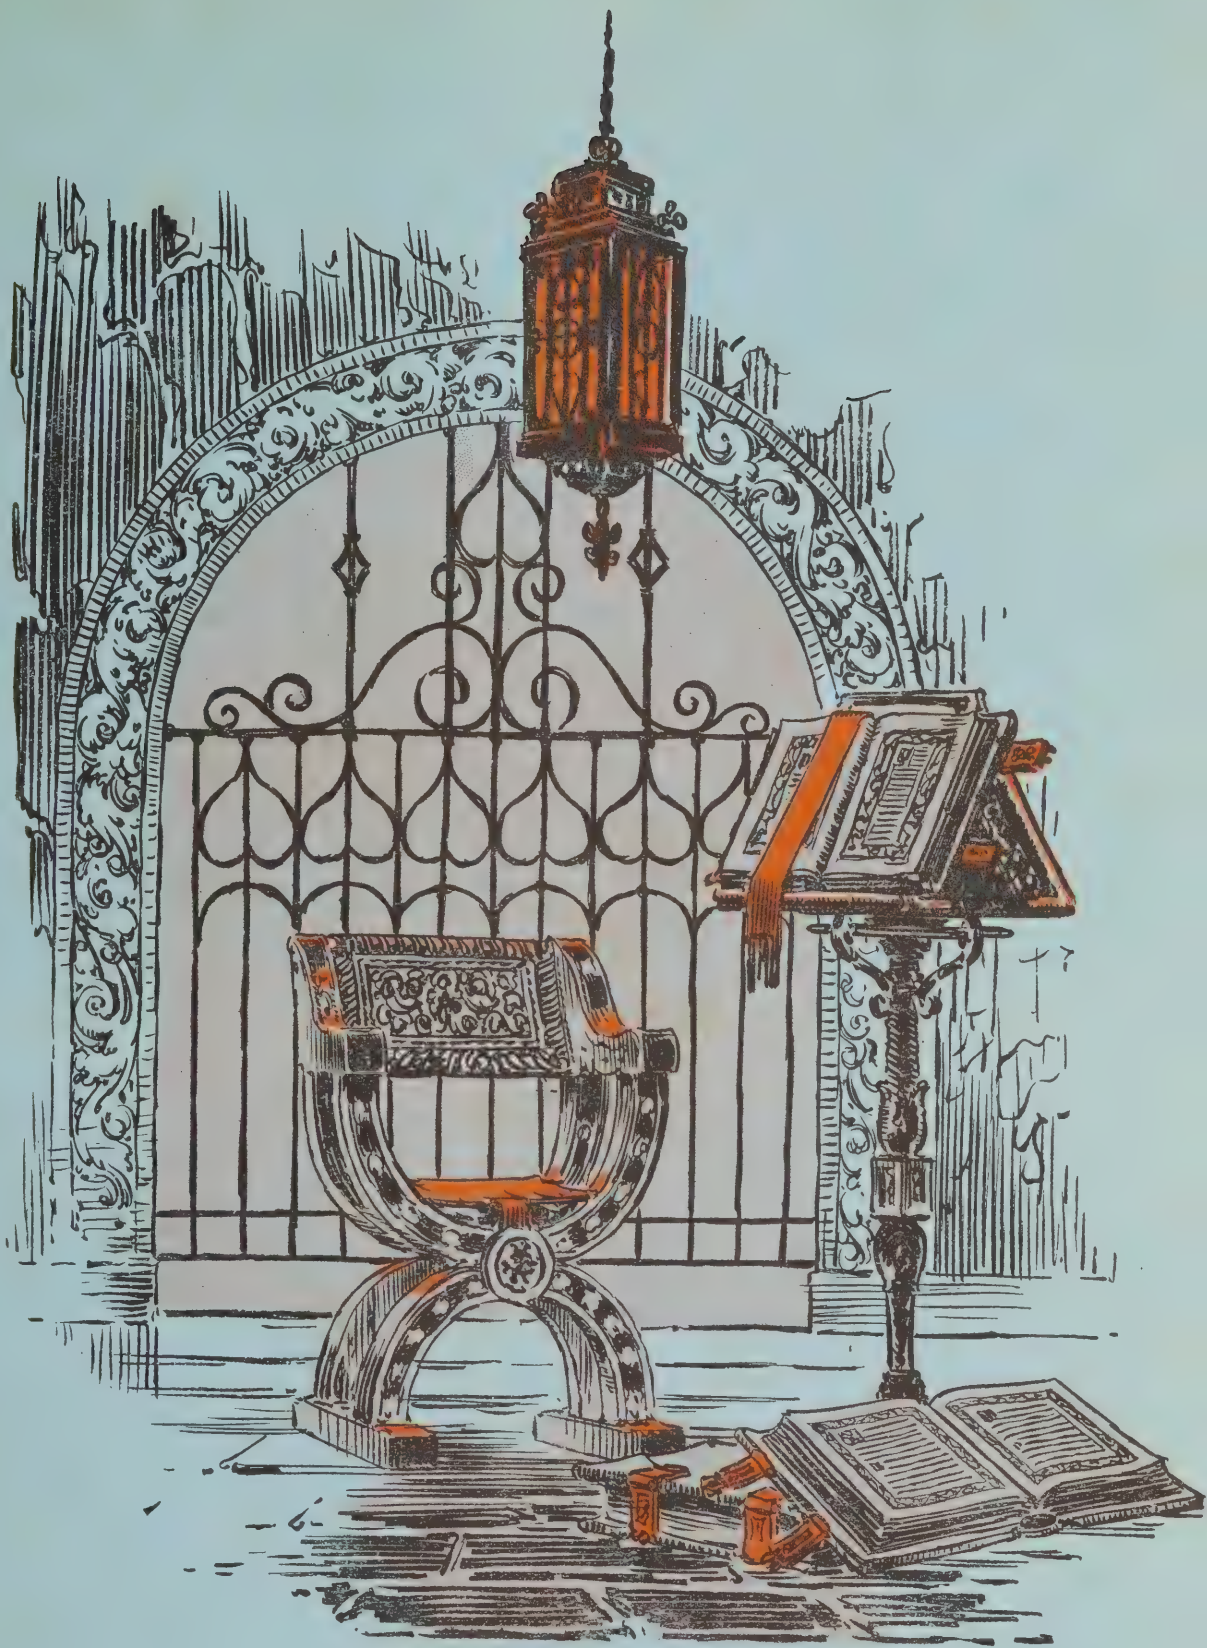

Mrs. Corr was an alumna of Central, having received her degree in 1923. For the last few years she has served the college faithfully and efficiency. Her cheerful and ever willing helpfulness endeared her to everyone, and her going is lamented by a great number of both former and present students of Central. She died January 24, 1926.

An Appreciation

We take this opportunity to thank those who have been a guiding hand through this school year, those who have inspired us with a desire for knowledge, and an admiration of virtue, who have created within us a noble ambition to live a life of service.

We thank those who have been a help in producing this Bronze Book, faculty, students, photographers, and advertisers of Edmond and Oklahoma City.

We hope you will look with charity upon its many imperfections and accept it in the good fellowship and service in which it is offered.

land Medal 1925; Broncho.

Frank Shaw

The accidental death of Frank Shaw, a Junior, on March 1, 1926, cut short the career of the greatest track athlete Central has ever produced. He was the greatest all-round track athlete of the Southwest.

Frank won fifth place in the National Decathlon meet held in San Francisco July 4, 1925. His best records in these ten events are: 100 yard dash, 10.1 seconds; high hurdles, 16 seconds; shot put, 45.2 feet; discuss, 125 feet; 440 yard dash, 50.8 seconds; high jump, 5 feet 10 inches; javelin throw, 131 feet; pole vault, 8 feet; broad jump, 22 feet 6 inches; mile run, 5 minutes, 10 seconds.

Frank's ambition was to make the Olympic Team of 1928. For this honor he was constantly training and working. He had already put the shot, his favorite event, over 47 feet, and the week before his death he put it 45.2 feet, which distance stands as the official school record.

Frank was a good student as well as a good athlete. In 1925 he won the Wantland medal.

Frank was 23 years, 6 months and 14 days old. He will be long remembered as a fine, clean, outstanding athlete and his untimely death is mourned by his many friends. The athletic officials have placed his last pair of track shoes in the trophy museum in his memory.

Central's Auditorium Completed

The new Auditorium the latest addition to Central's "skyline", is the product of the ceaseless efforts and untiring activity of a large number of Centralites and their friends.

There was great rejoicing, not only in Edmond, but all over the state, when the 10th Legislature of the State of Oklahoma, meeting in regular session in Oklahoma City in the spring of 1925, passed the Institutional Appropriation Bill No. 277, which provided for an appropriation of \$150,000 to be used in the buying of ground and the construction of a new auditorium for Central State Teachers' College.

After the bill was approved by Governor M. E. Trapp, on April 10, the contract was drawn up and let by the State Board of Affairs to the Holmboe Construction Company of Oklahoma City. The architect for the new building was Jewell Hicks of the firm Layton, Hicks and Forsythe of Oklahoma City.

Construction started soon after the contract was let and proceeded as rapidly as weather conditions would permit. On the evening of September 11, 1925, the ceremony of the laying of the cornerstone was held under the auspices of the Grand Lodge of Oklahoma A. F. and A. M.

Rev. John R. Abernathy, of the Methodist Church of Chickasha, Oklahoma, Hon. Carl L. Rice, Chairman, State Board of Affairs, and Hon. M. A. Nash, delivered brief addresses which were followed by impressive Masonic ceremonies of the Laying of the Cornerstone.

The building, modeled to some extent after the Shrine Auditorium in Oklahoma City, has a seating capacity of 2,000.

Three double-doors and two single doors serve as front entrances to the lobby. From the lobby there are two stairways, one on either side leading to the balcony. Because of the steel supports there are no columns either above or below the balcony to obstruct the view from any seat on either floor. The building is ventilated by automatic devices.

The size and beauty of the stage add greatly to the success of any play or operetta. The width of the stage from wall to wall is 62 feet 10 inches; depth, 25 feet 5 inches. The height of the lower side of the gridiron from stage to floor is 46 feet. The distance of the fly galleries from stage floor is 10 feet. The width of the proscenium arch is 40 feet; depth, 22 feet.

The curtains, valanced borders, grand drapery border, tormentor wings, cyclorama borders and grand drapery are of blue sun-fast velour trimmed in gold bullion fringe and metallic braid. The valance is box-plaited with a gold monogram of C. S. T. C. in a gold wreath.

The painted scenery consists of one woodlawn curtain, a garden scene, a horizon scene, an indoor scene, and three leg drops to match the woodlawn and garden scenes. There is also one ground cloth reversible green and brown. There are three border lights and three rosy-colored footlights. The fireplace and French door with three panels add to the beauty of the stage. The scenery was prepared by the Kansas City Scenic Company and was painted by the best artists obtainable.

Views about the Campus

Central Alumni Association

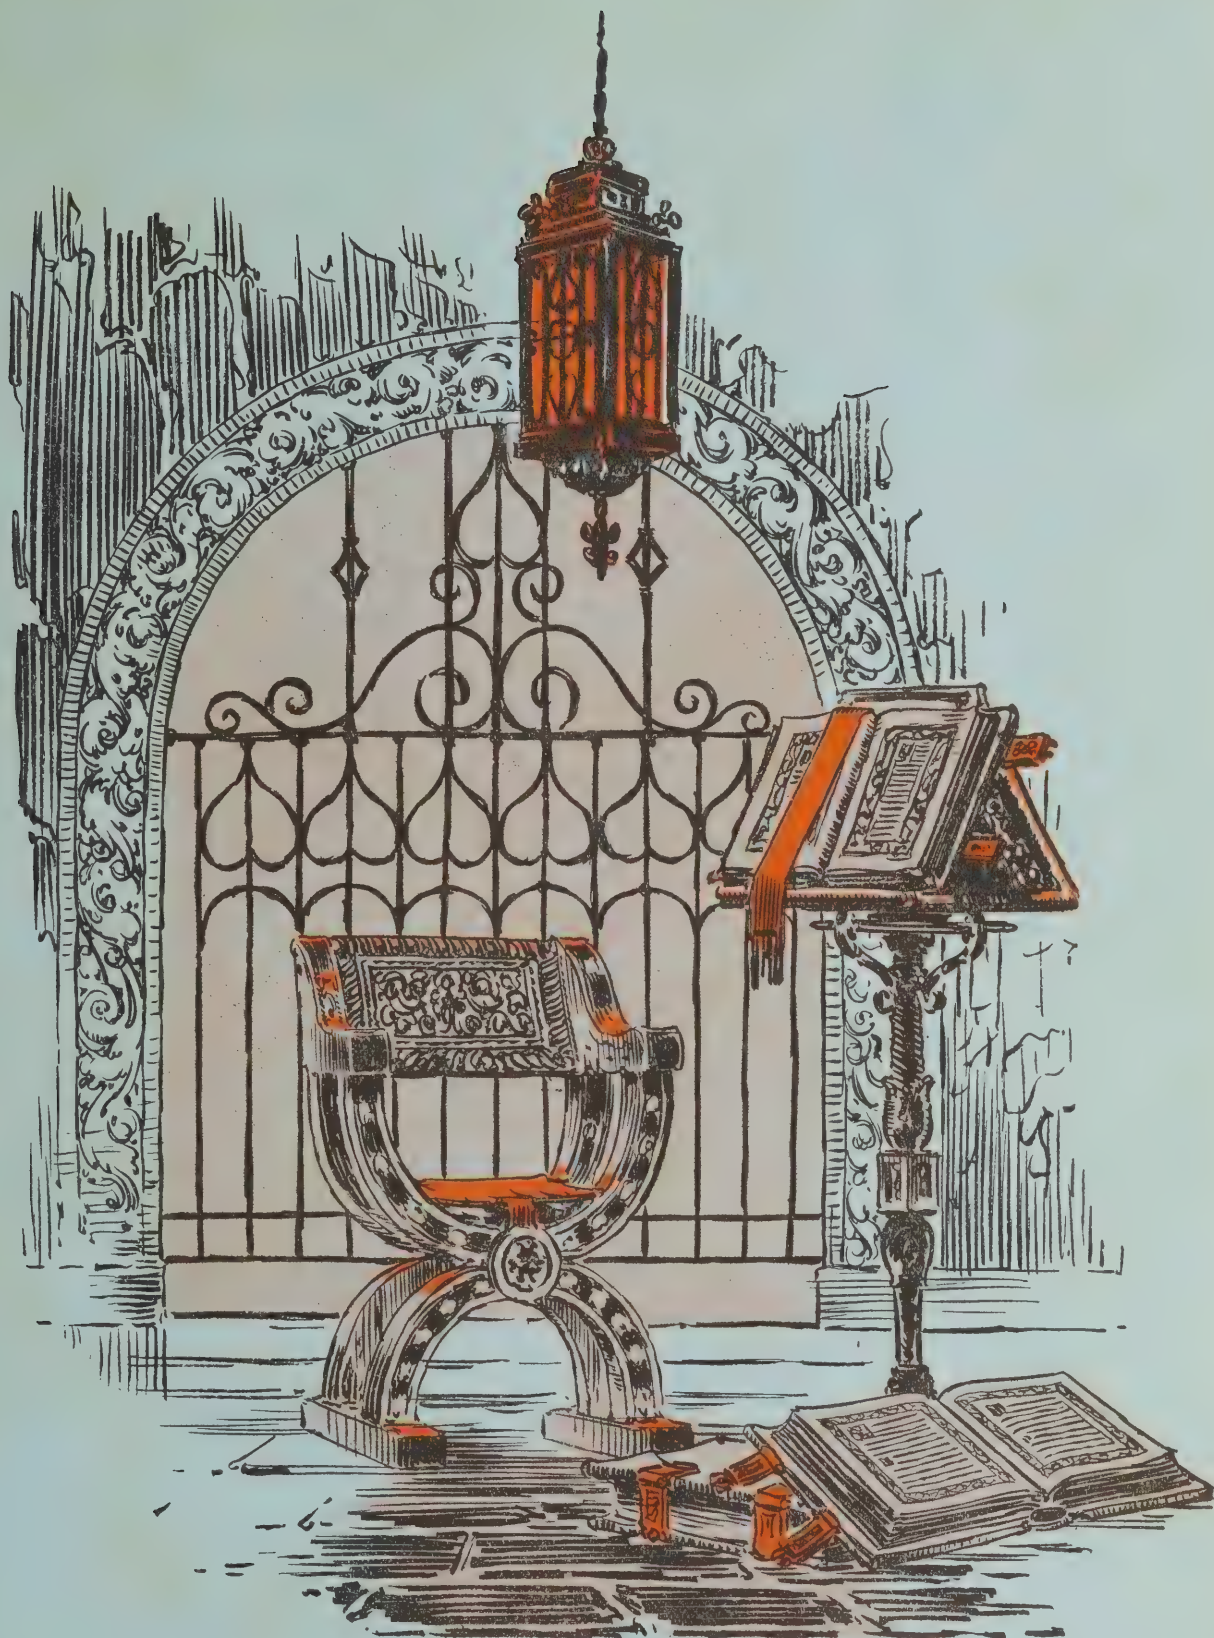

In 1921 the Alumni of Central formed themselves into an organization whereby there might be unity and cooperation of all the graduates. The first secretary was Mr. Fletcher Davis who started the work off in excellent shape. He obtained a great part of the information necessary for the first Alumni Directory, which was published the following year under the personal direction of Mr. Loren N. Brown, the second secretary of the association. Mr. Brown was secretary of the association for two years from 1922-24. During his term of office he perfected the Homecoming Banquet in the fall and the Central Luncheon during the State Teachers Meeting.

The organization during the past year, which is the fifth year of its existence, marked another progressive step in Alumni relationship all over the state. Today the Alumni of Central number more than 3,000, and each year finds its number growing rapidly.

In order to keep every Centralite in touch with his "Alma Mater," two reunions have been held. The first was on November 14, at the Homecoming game when Central defeated Oklahoma City University. Almost one hundred Central graduates attended the luncheon at this time. Another feature of the day was the parade given in the morning. The second gathering was held February 12, in the Claussen Dinner Bell during the State Meeting of the Oklahoma Education Association. More than one hundred graduates attended the dinner and enjoyed relating many pleasant memories of the past.

The Association officers this year are: Loren N. Brown, A. B., '22, Cushing, President; Walter W. Isle, '09, Duncan, Honorary President; William B. Ragan, '21, Carnegie, Vice President; T. R. McPheeters, '12, Edmond, Treasurer; Wheeler Simmons, A. B., '24, Resident Secretary. Board of Directors are: Miss Ila Freeman, Edmond; Miss Precious Miller, Barnsdall; J. C. Wilkerson, Pryor; Hughes B. Davis, Bartlesville; George Williams, Ryan, and Clay Kerr, Oklahoma City.

Club Contests

What is your politics? To what do you owe allegiance? For what thing are you willing to suffer, bleed, die—yes, even work? If asked the above questions, Central students would doubtless answer in the words of the Irishman who was asked what he would do if a man should call him a liar. His answer was, "Faith and 'bout how big a man?" The reply of the Centralites would likely be, "To what size thing do you refer?"

All members of the college have the same faith where the interests of the college are concerned. Only one voice, that of Unity, is heard on the athletic field. Nor is there a division of opinion as to whether Central should have a winning team in the Triangular Debate contests.

If the conversation should drift, however, into a discussion of whether the Triumvirate or the T. O. K. is the better club there might be a slight difference of opinion. In fact, it is possible that there might be a spirited debate. The girls who are members of these clubs have decided beliefs on this question which might not agree, and each has strength, although shorn of her locks, to defend her opinions.

The very words "Senate" and "Arena" suggest contests to Central students—contests in the "living present", more vivid than those of the ancient past.

To achieve excellency in debate and public discussion is the aim of the four clubs already mentioned, and judging from public exhibitions it seems that each has progressed excellently toward attaining this goal.

In the first of the Semi-Annual Contests this year the Monroe Doctrine was the subject for disagreement.

The girls' clubs apparently settled this problem when Ethelyn Kiergan and Pearl Campbell of the Triumvirate Club opposed Ellen Hogan and Cleo Randall of the T. O. K. and won the judges' decision November 23.

Not satisfied with this, however, the Men's clubs took up the discussion, Lee Wade and W. C. Rogers of the Senate winning from Warner Hord and Odell Palmer of the Arena. In oration, Oran Davis of the Senate won the decision of the judges, his opponent being Marcellus Johnson of the Arena.

The advisability of Tax-Exempt Securities was questioned in the second series of debates for this year. Lyda Roehr and Doris Sparks of the T. O. K. Club defeated Margaret Jones and Gertrude Wolfe in the debate upon this question. Karl Brown and Louis Nance of the Arena, also debating the Tax-Exempt Securities question, won the judges' decision. Their opponents were Oran L. Davis and Jay Kennedy of the Senate. Lee Wade of the Senate was victor in the oration contest. Earl Sullins represented the Arena.

There are in the College two other clubs which oppose each other in public contests twice each year. They are the Lyceum and the Pioneer, the oldest clubs in Central.

The Lyceum Club has been the winner in both contests this year. Those who have represented this club in public efforts are: Truett Ross, Charron Payne, Margaret Tontz, Louise Whitefield, Mary Gordon Mitchell, William L. Wantland, John Venable, Ethel Ogle and Mildred Henderson.

In the Pioneer Club the following members have had a part in the contests: Flavel Perry, Senate Perry, Jerome Payne, Jane Moore, Ruby Ratcliff, A. J. Frisby, Robert Spangler, Serena Elder and Mary Bethel.

Scholarships and Awards

THE SCHOLARSHIP CUP

The maintenance of a high standard of scholarship among her students has ever been the chief aim of Central.

Since the spring of 1924 the College Clubs have contested each term for the Estill Scholarship Cup. This cup, a gift from Mrs. A. Emma Estill, is presented at the beginning of each term to the club making the highest average during the preceding term.

For seven terms it was passed from club to club. During the eighth term the T. O. K. Club captured it for the third time and according to the rules came into permanent possession of the cup.

At present the clubs are contending for the second cup which was presented by Mrs. Estill in the spring term of this year.

The various clubs have won the cup in the following order:

1. Senate
2. Triumvirate
3. T. O. K.
4. Tsa No Ga
5. T. O. K.
6. Tsa Mo Ga
7. Triumvirate
8. T. O. K.—Final Award.

Second Cup:

History of Bronze Book

Photo by Watton

HATTIE GRAY POTTER
Editor-in-Chief

In the fall of 1912 the Senior class of 1913, of Central State Normal, decided that the school must have an annual. This annual was named the "Bronze Book." The book was to have a blue cover and bronze letters, the colors of the school, Bronze and Blue.

The Editor chosen was Vernon C. Crabb of Arcadia, now a lawyer in Oklahoma City, and Hughes B. Davis of Paden was the Business Manager. This annual was dedicated to the President of the Normal School, Charles Evans.

The various editions have been dedicated to the following persons: 1914, The founders of the Bronze Book, Vernon C. Crabb and Hughes B. Davis; 1915, The women of the Faculty; 1916, Mrs. Charles Evans; 1917, President Grant B. Grumbine and Professor Nihart. One page was dedicated to "Our Boys" who had answered President Wilson's call to arms; 1918, President J. W. Graves; 1919, "The Soldiers and Sailors who so willingly offered their lives on the Altar of Democracy"; 1920, President John G. Mitchell; 1921, The Senior class parents, Mrs. A. Emma Estill and Mr. Cliff R. Otto; 1922, Edmund Danbridge Murdough, former President of Central; 1923, The staff advisers, Miss Ruby Canton and Mr. Otto W. Jefferies; 1924, Mrs. John G. Mitchell; 1925, State Superintendent Mel A. Nash.

In 1921 the Staff adopted the bronze back with the old North Tower in its panel which is the standard cover for the annual.

Each year the staff, with the assistance of the President and faculty advisers, has endeavored to give the student body an annual which they would hold dear in after years.

This year the class of 1926 has tried to represent Central as it is and to issue a better book than any in the past.

Bronze Book Staff

Photo by Watton

WILLIAM C. ROGERS
Business Manager

Too much praise cannot be given to those who have worked so loyally and with such earnestness to produce the 1926 Bronze Book for the students of Central State Teachers' College.

To the whole staff I offer my deepest appreciation, and take this opportunity of thanking those who have so faithfully helped in producing this fourteenth volume of the Bronze Book.

A. EMMA ESTILL.

Young Men's Christian Association

R. CARROLL CARRUTH, *President*

KARL BROWN, *Vice President*

WENDELL SIMMONS, *Secretary*

E. W. EATON, *Treasurer*

E. L. CHASE, *Faculty Sponsor*

F. L. FORDICE, *Faculty Advisor*

For the last three years there has successfully operated, in Central, an organization known as the Young Women's Christian Association. It has been serving its purpose in an excellent manner, radiating a Christian influence throughout the campus. In view of this fact, a wonderful opportunity presented itself to the young men of Central to organize in order to work cooperatively with this Association.

A small group of students, together with Mr. Chase and Mr. Fordice, met April 15, 1926, and took advantage of their opportunity by organizing a Student Young Men's Christian Association. This proved to be a very interesting and enthusiastic meeting characterized by right-from-the-heart talks on "Why I intend to become a member of this Association."

Central's activities offer opportunities to young men for development in literature, debating, music, speaking, dramatics, and athletics, and now we have organized an Association which will offer opportunities for development in Christian work. Its primary purpose is to influence young men to devote themselves in united efforts with all Christians to making the will of Christ effective in human society, and to extending the Kingdom of God throughout the world. This purpose is broad but direct and will no doubt have its influence in directing the efforts of all young men toward a higher Christian life.

While this Association is only a local one, still it is one unit in the great, international Student Christian Movement which means so much to the life of our students here in the United States as well as other countries of the world. And we as charter members of this Association sincerely believe that our local unit here will take its place, and assume its part of the responsibility along by the side of the other Student Christian Associations of the world.

Affirmative Team

TEAM:

KARL BROWN Arena
 LYDIA ROEHR T. O. K.

ALTERNATE:

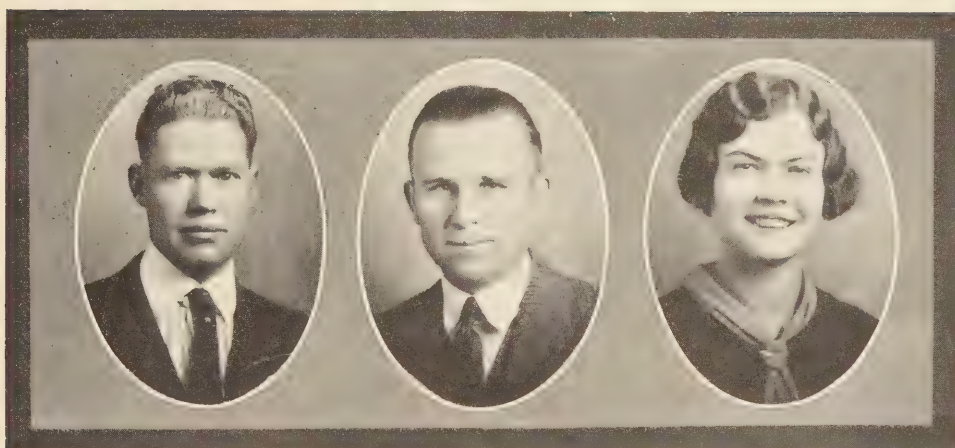

LOUIS NANCE Arena

This year Central will be ably represented by the affirmative team at Alva.

The question for debate is: Resolved that any further issues of tax-exempt securities should be forbidden by an amendment to the Federal Constitution.

The faculty coaches for the affirmative team are Mrs. A. Emma Estill and Miss Leita Davis.

Negative Team

TEAM:

LEE WADE Senator
 WM. C. ROGERS Senator

ALTERNATE:

DORIS SPARKS T. O. K.

While the affirmative is defending our colors at Alva the negative team will be clashing with Southwestern.

The negative team is being coached by Mr. F. C. Oakes and Mr. Cliff R. Otto.

REVIEW OF THE FOOTBALL SEASON

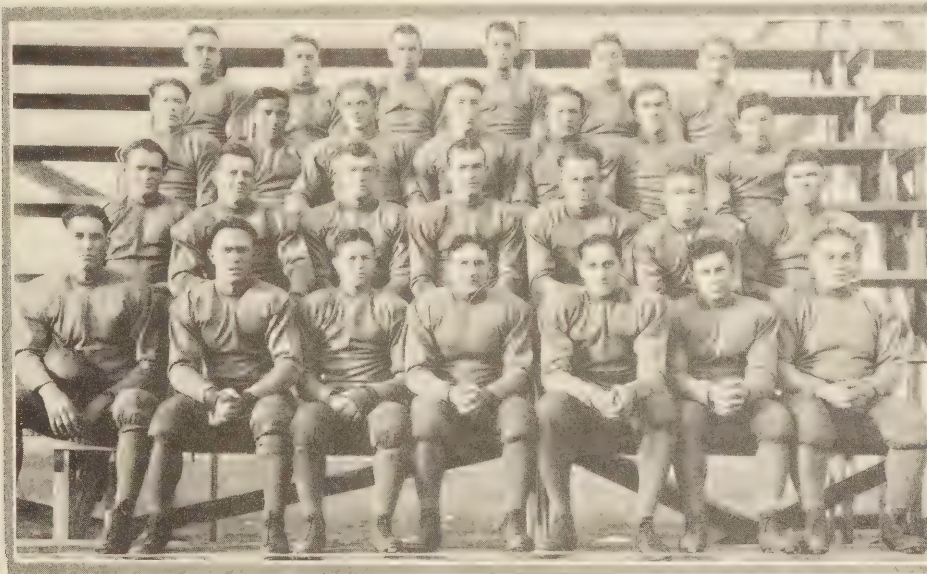

Central played the first game of the season with Oklahoma Baptist University, September 26, at the Oklahoma State Fair Grounds. All Oklahoma lovers of the Gridiron sport were there to see these conference rivals meet, for the fray promised to be a repetition of the 1924 post-season tilt between the Bronchos and Bisons. But it rained for a week preceeding the game and the field was slow. For this reason the game failed to be a repetition of the 1924 battle, although it was hard fought. The Bisons had vowed vengeance and were determined to conquer the Bronchos, for victory would probably make them the undisputed champions of the Oklahoma Collegiate Conference; but Central was as determined to win. The Bronchos played a strictly punting game in which Van Noy outdistanced Fox on an average of five yards. This superior kicking was a margin of victory all through the game. Near the close of the first half Central received a punt near the Bison goal and Van Noy promptly turned this into a three point lead by kicking a perfect place kick from the Bisons' thirty three yard line.

On account of hot weather and a heavy field, Coach Wantland sent in a new string of linemen the second half, saving the regulars for the last part of the game.

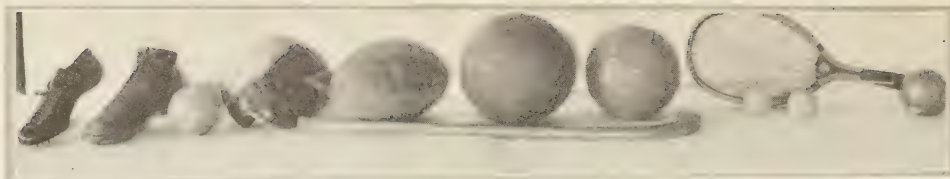

During the third quarter the Bisons made several first downs but Van Noy's punting still kept the ball out of danger.

JOE HOUSE, *Captain*; Delaware,
Center.

THE FOOTBALL SQUAD

LESLIE VAN NOY, Delaware
All-State Quarterback

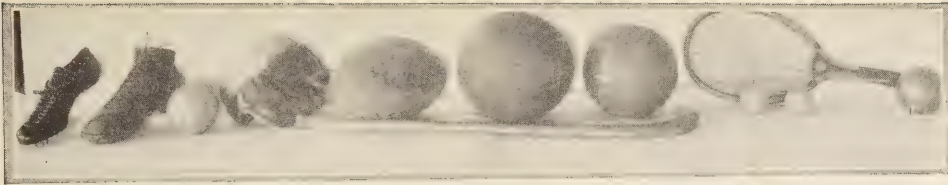

After the Baptist game the Central squad spent two weeks of hard practice in scrimmage and running signals, preparing to meet the Kansas State Teachers from Pittsburg on Wantland Field October 10. This team won the Kansas Collegiate Conference Championship in 1924, and almost every man who made the trip to Edmond played on that championship team. This game was a good example of the brand of football played by the two neighboring conferences.

THERON KINGSOLVER, Hydro
Center

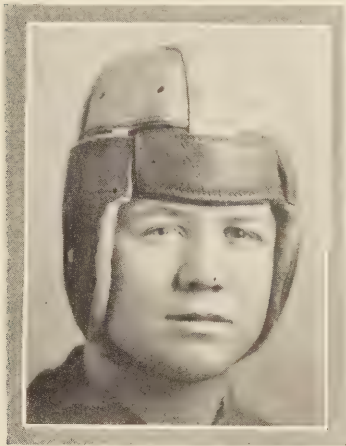

SUPERIOR KICKING DEFEATED THE BAPTISTS

With faith in their reputation and the belief that the Kansas Conference teams played a better class of football than the younger Oklahoma Conference teams, the Kansas Teachers went into the game expecting to sweep Central before them in their triumphant march to victory. Even the dauntless Central warriors began to feel that they could not stop the onrush of the visitors when they saw them march onto the field. The Kansas team outweighed the Bronchos ten pounds to the man. After starting the game under their psychological and weighty handicaps Central was unable

HARRY KENT, Perry
All- State Fullback

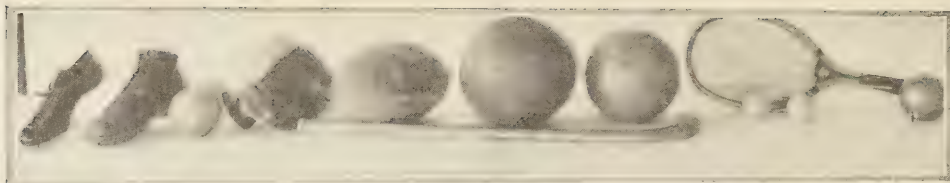

JAP WOOD, Perry
End

to stop the visitors' march down the field. The half ended 6 to 0 in favor of the Kansas Teachers.

The Bronchos returned in the second half and launched a wild passing attack that carried the ball across the Kansas goal. Courtney failed to make kick after goal. This caught the Pittsburg school unawares, and they never regained the fight they possessed in the first half. In the last quarter Central again made pass after pass and the game ended with the Bronchos threatening the Kansas goal. The final score was 6 to 6.

IN THE SHADOW OF THE ENEMY'S GOAL.

MORRIS C. WELLS, Purcell
Quarterback

dy field and in a slow drizzling rain. It turned out as all Centralites hoped and thought it would, another victory for the Bronze and Blue. The charging game played by Hyson and Craven in breaking up plays figured largely in this 11 to 0 victory.

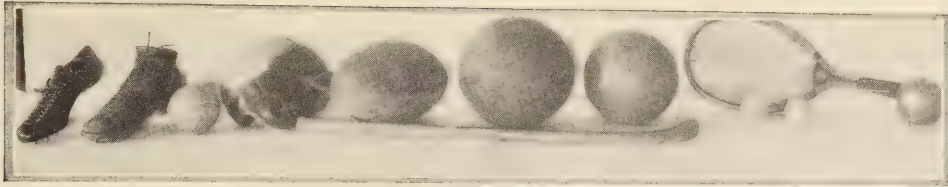

Two weeks later on October 31, Central met the Arkansas Agricultural College on Wantland field. This was another team that outweighed the Bronchos man to man. Their line was heavy and experienced.

CLARENCE G. WATERS, Marlow
HalfBack

MOST OF THE GAMES WERE PLAYED IN THE MUD

The inexperienced, lighter Central line was not a match for them. Even with this handicap Central bore down across the Arkansawyer's goal for the first touchdown of the game, when Kingslover rushed down the field, recovered Van Noy's punt on the Kansas fifteen yard line and carried the ball across the goal line. Courtney kicked goal for extra point.

After this touchdown, repeated line plunges wore the Central line out and Arkansas crossed the Bronchos' goal twice. In the last quarter Central began to pass and Van Noy, faking a pass, plunged through the line

HAROLD CRAVEN, Oklahoma City

Guard

NORVAL C. KETCH, Edmond

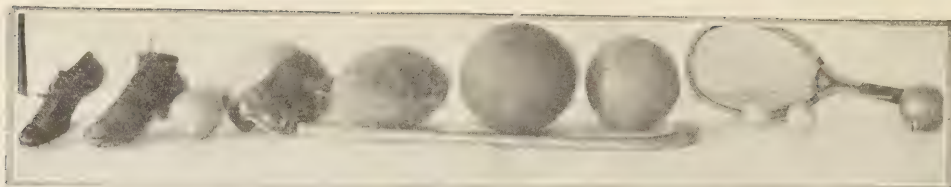

Tackle

to the Arkansas two-yard line, but Central was unable to penetrate the heavy Razorback line and the score ended Arkansas Agricultural College 14, Central 7. This was the fourth time in thirteen years that the Bronze and Blue football warriors went down to defeat on Wantland field.

The next week Central journeyed to Shreveport to play Centenary at the Louisiana State Fair on November 7. When Coach Wantland and his charges arrived in Shreveport they found more muddy conditions. Water was everywhere, so the game was played on top

MUDDY FIELDS HINDERED CENTRAL'S OVERHEAD METHODS

ERNEST WILLIAMSON, Edmond
Halfback

attacks were borne by Baumgartner and Scott. Courtney ran wild on the offense, gaining yardage consistently by end runs and receiving passes.

In the second quarter Kent scooped up a thirty yard pass from Van Noy and ran twenty yards for a touchdown. The half ended in a 7 to 7 tie. But the Bronchos' line was unable to check the Centenary plunges in the second half and the game ended 17 to 7 for Centenary.

of a little knoll. The ball stayed wet all through the game. Here again Central met another veteran aggregation.

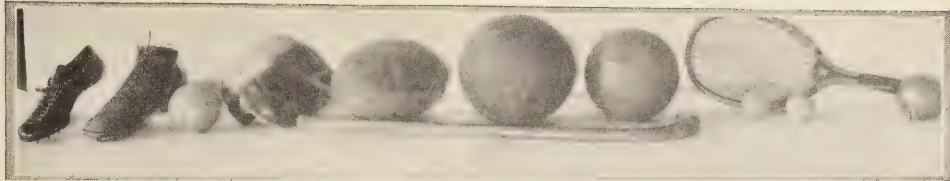

The Gentlemen of Shreveport were especially good at line charging and plunging, but the slow field hindered greatly the speedy overhead game developed by Central. Time after time the Louisiana team failed to gain through the Central line, the brunt of whose

J. D. SCOTT, Yukon
Guard

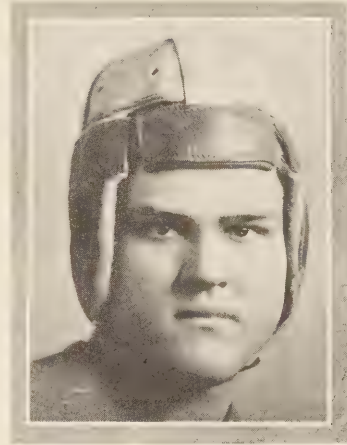

CENTRAL PLAYED VETERAN TEAMS THIS SEASON

The aerial game of the Bronchos is very popular in Shreveport. Central has the reputation there of being a great forward passing team and have made themselves such a favorite with the Louisiana football fans that they have been invited back for the third consecutive time.

The eight days from November 7 to 14 was a hard period for Central. After returning from the hard game with Centenary, and with only one night's rest

WALTER CRAMER. Blackwell
Tackle

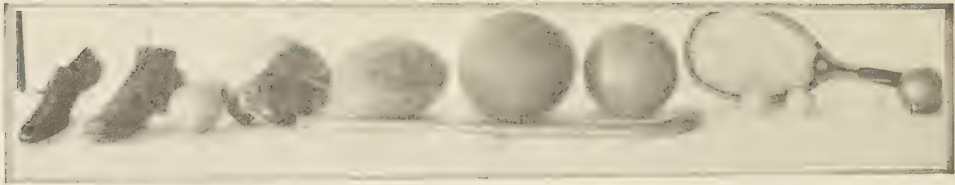

ARCHIE COURTNEY, Edmond
Halfback

the Bronchos went to Tulsa and met Tulsa University, one of the strongest foes of the season, on Wednesday, November 11. Tulsa University had been resting three weeks preparing for Central, for this game was the only game of much importance that Tulsa University played in the Conference. To win would make them State Champions. They were right and played high class football. Central being in poor shape, was unable to resist their thrusts. Lemmons, Craven and Cramer contested every inch of ground the Tulsans gained, as

A COUNCIL OF WAR

VIRGIL WRIGHT, Edmond
Halfback

the Bronchos uphold the gridiron reputation of dear old Alma Mater. But just before the game started it began to rain, and by the end of the second half many of the Centralites were driven home by one of the worst blizzards of the year. This slowed the game so much that any style of football was practically prevented. The second half was played by second string men so the first team could have a rest after the two hard preceeding games. Those who watched the game to

did all the other linemen, but again, inexperience and light weight had their effect. In the last quarter Wright played a fast game at the forward end of pass after pass, but to no avail, the Tulsans carried the day by a score of 20 to 8.

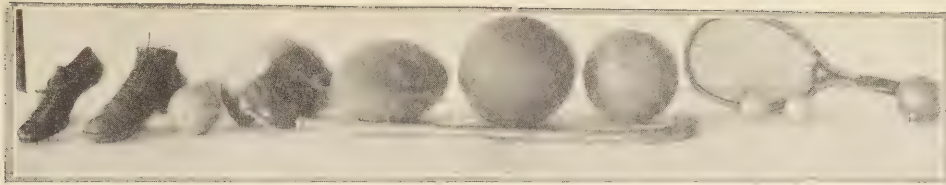

Three days later on November 14 Central played Oklahoma City University on Wantland field. This was the Homecoming game and the Centralites from every part of the State flocked onto Wantland field to see

EVERETT BAUMGARTNER,
Wellington, Kansas
Guard

CENTRAL HOLDING THE LINE

a finish were well rewarded for their discomfort for the Broncos swept the Goldbugs before them and won 16 to 2.

The Broncos played Southwestern at Weatherford, November 21. Southwestern has never defeated Central and this year was the first tie between the Bulldogs and Broncos. The Bulldogs, determined to win, fought hard on their own field but the 7 to 7 tie was no indication of the comparative strength of the two teams for Central has never beaten the Bulldogs bad'y

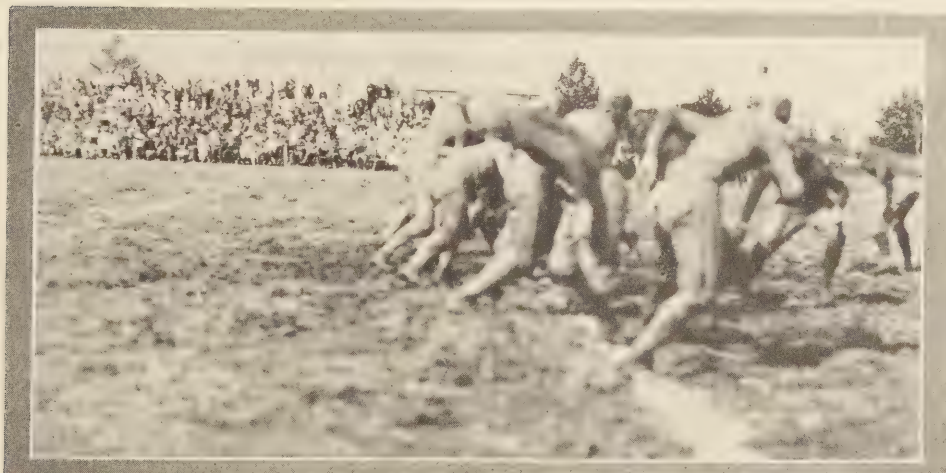

CURTIS W. BETTS, Fairfax
Tackle

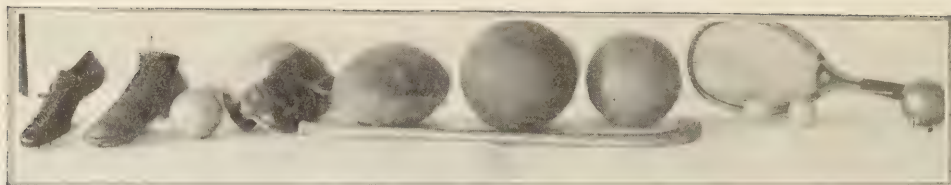

MARION SURBECK, Edmond
Guard

on their sandy field, but has always outclassed them on Wantland field. Although Southwestern played harder football, Central held the Bulldogs to one lone touchdown, which was made on a long forward pass. Kent played a good game for Central. A long pass by

A long pass by Van Noy to Williamson, scored Central's touchdown. Central had the Bulldogs beaten until the last quarter. Each team attempted three place kicks, one for Courtney hit the goal post and bounced onto the field of play.

CENTRAL PLAYED SOME OF THE BEST TEAMS IN THE SOUTHWEST

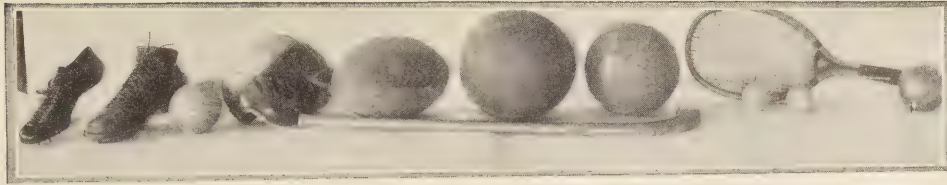

MAURICE PONTON, Fairfax
Tackle

Central ended the season on Thanksgiving Day with a victory over the Haymakers. The Bronchos outplayed their opponents in every department of the game, Central scored by every means possible and made only one of each, touchdown 6 points, goal for touchdown 1 point, place kick 3 points, and safety 2 points. Immediately after the first touchdown Wells was sent in for Van Noy who got his knee badly hurt. Wells proved to be a great general, outgeneraling the Phillips quarterback in almost every play.

Central Hall Where Basketball Is Played

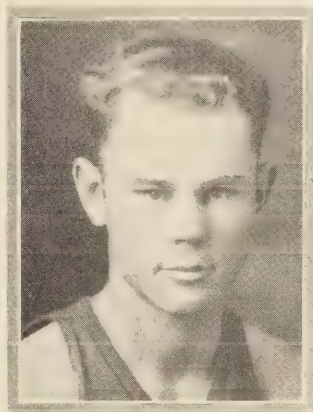

Basketball

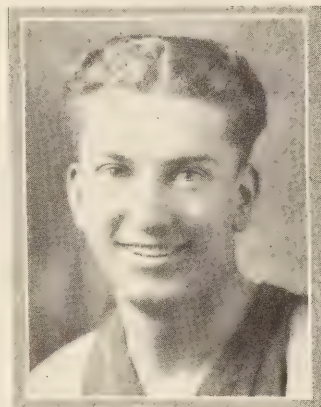

Review of the Season

The Basketball season opened with Phillips University, January 9, at Central Hall. This game was one of the best of the season. It was anybody's game until the whistle. Two long shots in the last minute of play put the Haymakers ahead of the Bronchos. The game ended with Central taking the ball up the court in a desperate attempt to regain the lead, but the final whistle blew a few seconds too soon. The final count was very close at that, Phillips 29, Central 28.

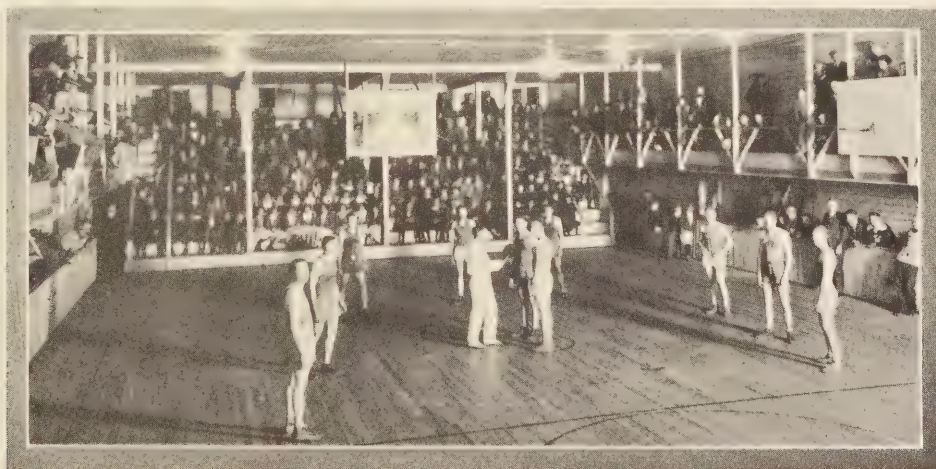

THERON KINGSOLVER, Hydro
Center and Forward

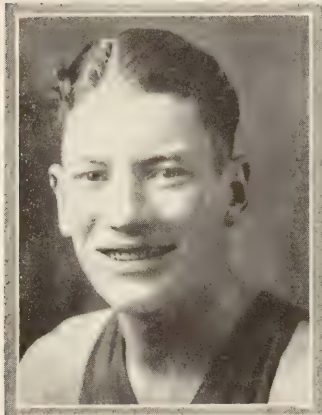

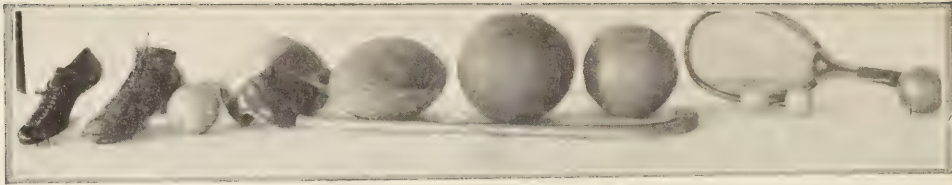

RALPH PAYNE, *Captain*, Edmond
Forward

The following Friday night, January 15, the Bisons were the visitors. In the first half the Bronchos fought the Bisons off their feet. Captain Payne looped five goals from the court and one from the free throw line, while Wagner and Hyson maintained an air-tight defense. The half ended Central 19, O. B. U. 9. For some unknown reason the second half was a reverse story. Fight as hard as they could the Broncho basketekers could not find the ring. Shot after shot rolled off the goal while the Bison forwards were making counters. The game ended O. B. U. 40, Central 29.

Basketball Game in Central Hall

MELVIN LEMMONS, Dewey
Center

East Central was the next visitor on January 16. The game was close but Central was in the lead throughout the entire fray. The game ended with Central 34, East Central 25.

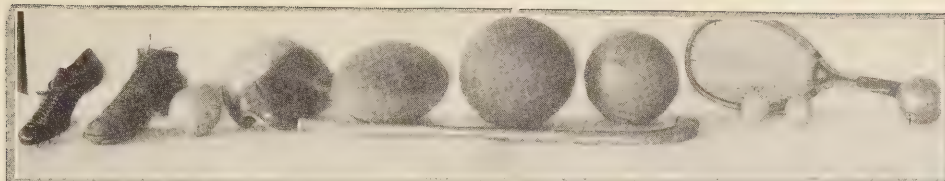

The following Thursday the Redmen of Northeastern came to Edmond. They fell an easy victim to the Bronchos, by taking the small end of a 50 to 24 score.

By this time one fact about the Broncho quintet was well recognized. In Hyson and Wagner, Coach Wantland had as good a pair of guards as the Central undergraduates saw perform throughout the entire season.

ELMER GEORGE KUPER, Thomas
Forward

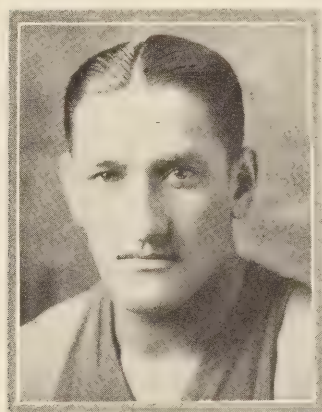

The next week Central played O. C. U. at Oklahoma City. This was a desperately fought game, and undecided to the last. But the Broncho forwards could not find the goal. The final score was 32 to 28 in favor of O. C. U.

On February 5, the Bronchos journeyed to Enid and met the Conference pace-setters. The first half ended, Phillips 8, Central 6. But in the last half the Hay-makers began to make counters in spite of Central's defense, and the Broncho offense could not keep pace with them. This was one of the three games which Central

ELDEN T. WAGNER, Cement

Guard

FRANK BUD HYSON, Pawnee

Guard

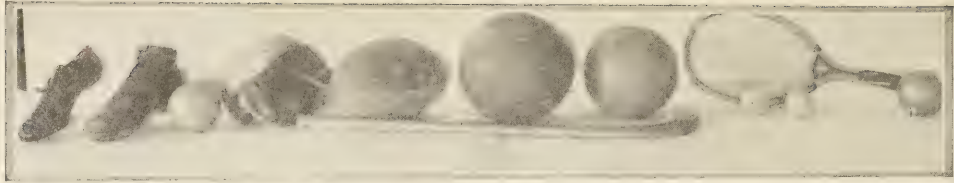

lost by more than a very close score, the final count being Phillips 31, Central 13.

The next night Central met Oklahoma City University at Edmond. In this game Coach Wantland used all his lettermen. Wright tossed one goal from the court. Then lanky Lemmons, though not making a goal, played as usual, all over the court, but O. C. U. again took the big end of a 28 to 19 score.

Tulsa University was the next victim of the Broncho quintet. Tulsa came to Edmond on February 11, and lost to Central by a score of 25 to 24.

Shaw Putting the Shot, His Favorite Event

DEE PETREE, Cement
Guard

entered, being the largest of its kind ever held in the Southwest. Yukon won in "Class A" and Port won in "Class B".

The following two weeks Central dropped one game to the Savages and four to the Bulldogs. March 4 and 5, the Bronchos lost two more to Tulsa University. The following night, March 6, the Central five ended the 1926 season at Tahlequah by defeating Northeastern 29 to 28.

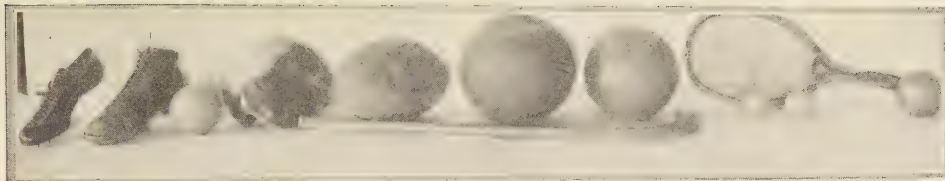

Never before have more than two or three letter men returned to Central to play basketball, but next year looks brighter, for Kingsolver, lanky center and forward, will be the only man lost by graduation.

VIRGIL WRIGHT, Edmond
Forward

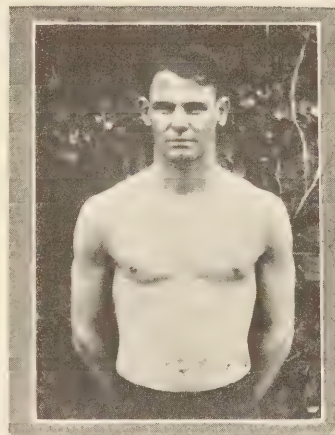

Wrestling

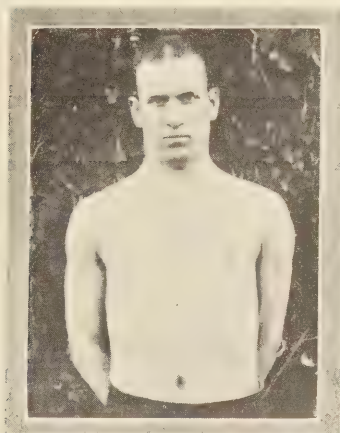

Review of the Season

This year's wrestling team did not win as many bouts as former teams have won but after all is said, the team made a good showing in the Oklahoma Inter-collegiate Conference.

The Central team participated in three bouts and the Conference Tournament. On February 1, they journeyed to Shawnee to meet the Oklahoma Baptist University Wrestlers. Seven bouts were held. In the 115 pound bout Marks threw Feathers, the O. B. U. man in four minutes and thirty-one seconds. Murphy

EARL MURPHY, Edmond
125-Pounds

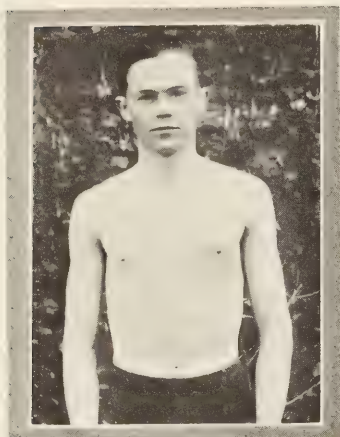

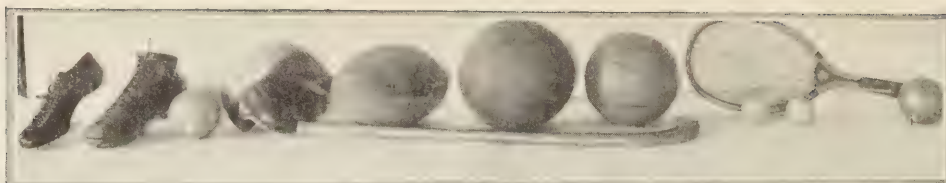

HARRY KENT, Perry
175-Pounds

lost by a slight decision to Nichols in the 125 pound bout. In the 135 pound bout Jap Wood was unable to throw his opponent Glenn, but held him to an advantage of 7 minutes. Fugate, the Broncho 145 pound man, lost a decision to Cole, but Craven in the 158 pound bout, disposed of his Bison opponent in great style by pinning Eley's shoulders to the mat in three minutes and thirty seconds. Kent lost the 175 pound contest to Shaw, the O. B. U. Captain, by a decision, and Scott lost the unlimited match to Smith. The final score showed Central barely behind O. B. U., the count being 16 to 13.

FOUR OF THE TEAM

WALTER MARKS, Edmond
115-Pounds

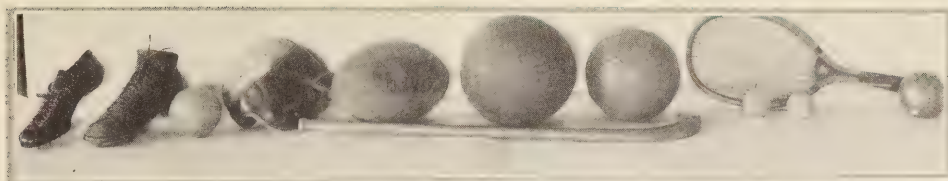

his opponent. Murphy held the Bison to zero by an advantage of three minutes over his 125 pound opponent, and Wood all but threw his man. He held him on the under side for nine minutes. Waters took the 145 pound Bison, but he was too much and Waters lost a fall to him. Craven repeated his spirited bout at Shawnee by throwing Eley in four minutes. This time Kent held the 175 pound Shaw to a draw. In the unlimited class Scott won a decision of one minute over Smith. The final event was Central 21, O. B. U., 7.

JAP WOOD, Perry
135-Pounds

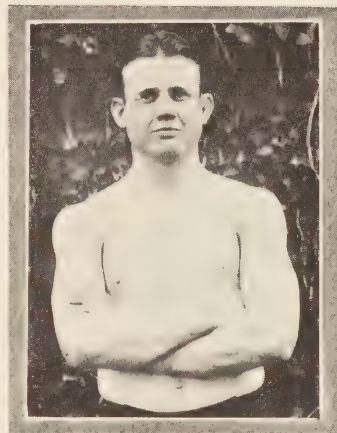

AT PRACTICE

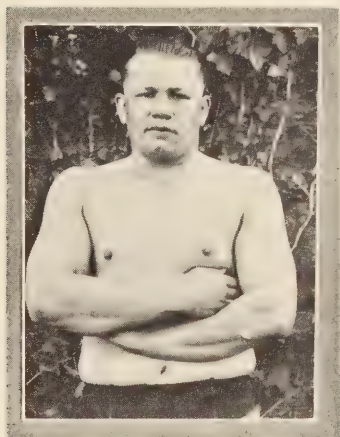

Central next met Oklahoma A. & M. The event was disastrous, but not so bad considering that the Central boys were inexperienced and the A. & M. grapplers were both Missouri Valley and National Champions.

On February 27 and 28 Central was host to the Conference Wrestlers. The meet was held in Central Hall. Ed Gallagher, veteran A. & M. head coach, officiated. Southwestern, Oklahoma Baptist University, and Central were the only entrants. Central entered seven men and placed four in the finals. Marks, 115 pounds, won over the Southwestern entrant by a

HAROLD CRAVEN, Oklahoma City
158-Pounds

J. D. SCOTT, Yukon
Heavyweight

fall gained in seven minutes, twenty-eight seconds. Woods, 135 pounds, held an advantage over Glenn of O. B. U. of ten minutes. Craven, 158 pounds, fought hard, but lost the decision to the Southwestern man after two extension periods. Kent, 175 pounds, grappled Shaw, veteran O. B. U. captain, through two extension periods and won the decision on aggressiveness. The final count was Southwestern 21, Central 16, O. B. U., 11.

This placed Marks, Woods and Kent as Conference Champions in their respective classes.

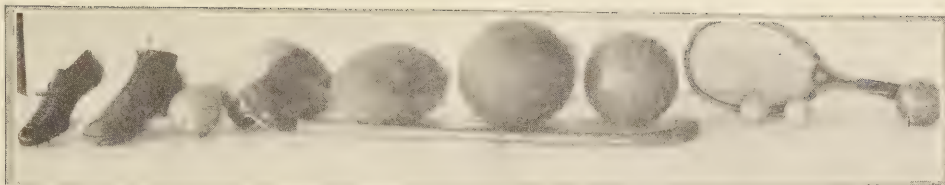

WRESTLING IS A FAVORITE SPORT

THE "YELL LEADER" WHO HELPED THE TEAM WIN MANY VICTORIES

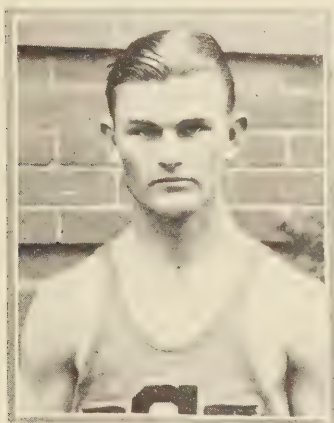

Track

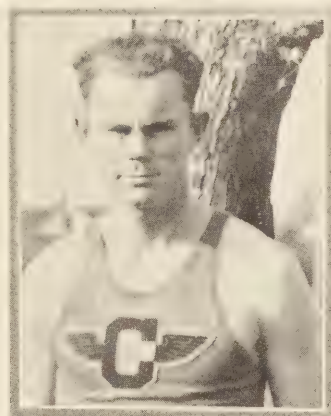

REVIEW OF THE TRACK SEASON

Track has been one of the outstanding sports at Central Teachers College for many years, ranking close to football in the hearts of the student body.

Wearers of the Bronze and Blue have achieved many honors in the Southwest in the last few years, many records are held by Central track athletes. Earl Carruth is a joint holder of the 100 yard dash record, and time of 21.2 seconds in the 200 yard dash will remain unbroken for some time to come. Mose Gas-

EARL SULLINS, Red Rock
Pole Valut.

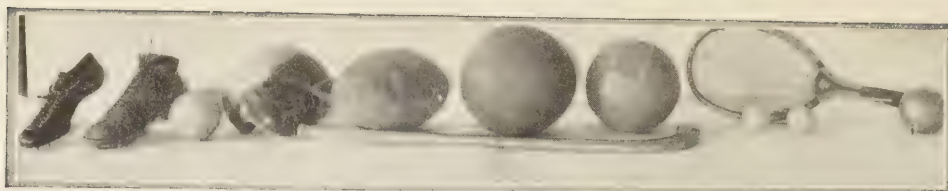

THERON KINGSOLVER, Captain
Hydro, Half-mile and Relay

kill's record of 50.8 seconds in the 440 yard dash has been unequalled since it was established in 1908. The record of 22.2 feet in the broad jump made by Ralph Barlow the same year has stood until just recently, when it was broken by less than two inches.

Elmer McClain's record in the two mile run of 9 minutes, 37.4 seconds will probably stand for sometime to come. The record of Shaw in putting the shot 43 feet, 11 inches has broken a record of long standing.

ARTHUR LEE SCHROCK, Tuttle
Half and Quarter-mile

will rank well with performances of the past.

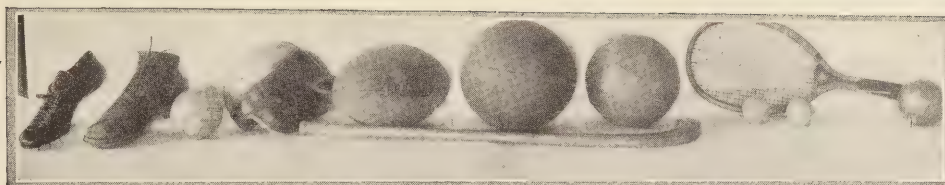

Gibson, Kupper and Wood will represent us good in the sprints, Captain Kingsoliver, Schrock, Stein, and Wells the middle distances, and Hyson, Hannah, Wiley, and Morton the long distances, Van Noy and Cramer hurdles, Sullins pole vault, Gibson and Wells broad jump, and Watts and Hamilton in the weights.

On April 4 Central track team met the Oklahoma City University in a dual meet on Wantland field. Central took the meet by a score of 82 to 55. Following are the winners.

LESLIE VAN NOY, Delaware,
Hurdles and Discus

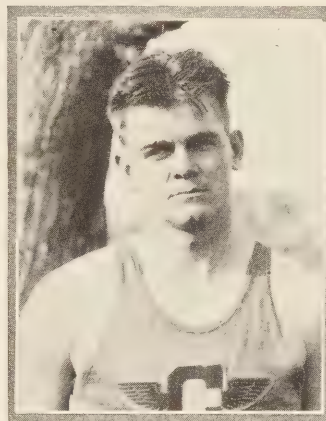

100 yard dash—Gibson tied for first.
 1 mile run—Hyson.
 1-2 mile run—Schrock.
 220 yard dash—Gibson.
 High hurdles—Doyle, O. C. U.
 440 yard dash—Whitman, O. C. U.
 Pole Vault—Sullins.
 Shot put—Watts.
 High jump—Kingsoliver and Sulling tie.
 Discus throw—Van Noy.
 Javelin throw—Doyle, O. C. U.

BENNIE WILEY, Broken Arrow
Distances.

DENVER G. WATTS, Morris,
Weights.

At this meet Watts broke the intercollegiate record in the shot put by putting the shot 43 feet, 4 inches.

In the Oklahoma Relays Central made eleven points. Watts won first place in the shot put.

April 4.—Oklahoma City University at Edmond.

April 10.—Oklahoma University at Norman.

April 17.—Kansas University Relays at Lawrence, Kans.

April 23.—Phillips University at Edmond.

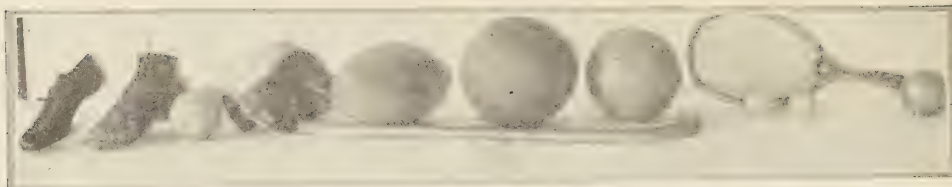

April 30.—Southwestern Teachers College at Edmond.

May 8.—Oklahoma Baptist University at Shawnee.

May 15.—Intercollegiate Track Meet at Shawnee.

Tennis

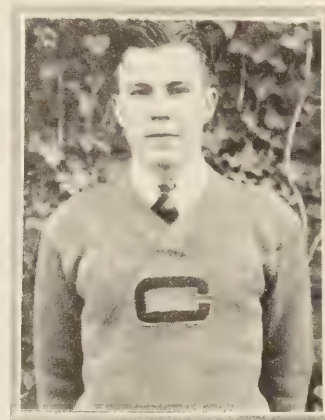

PAUL BRYANT, Captain, Edmond
Singles and Doubles.

Championship. Bryant lost the singles due to the fact that his racket was stolen a short time before the finals were held.

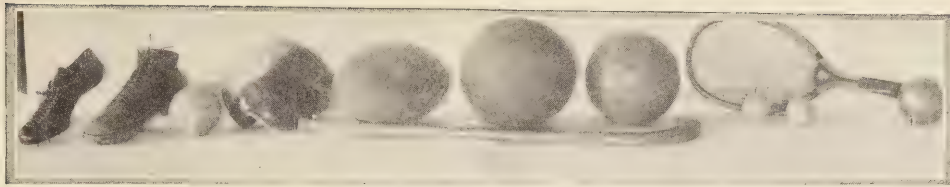

Prospects for 1926 are equally as bright as those for last season. Captain Bryant and Elkins, both letter men, are back, and Payne, Ruggles, Bryant, and Valla are showing up well on the varsity team.

Matches are scheduled for the 1925 season with the following schools: Oklahoma City University; Northwestern University Preparatory School; East Central; Phillips University; Oklahoma Baptist University; and the Intercollegiate Championship Tournament.

PAUL ELKINS, Edmond
Singles and Doubles.

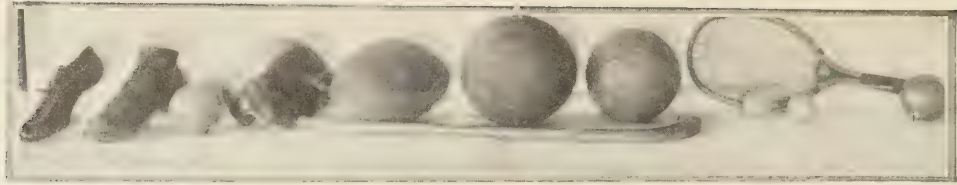

Central Lettermen's Club

The Central Lettermen's Club was organized in the winter of 1922. The membership of this club consist of all the men who have ever earned athletic letters in Central State Teachers College. The club roster dates back to 1899 when Central took part in her first athletics as a Normal school. Since that time some three hundred fifty men have been added to the rolls by earning their letters. Of these three hundred fifty, it is not within the memory of the oldest letterman that any one has failed to succeed in a professional way just as he did in athletics while a student at Central. Some have been successful in occupations other than athletics; of these a few are Claude Nihart, Principal of High School, Los Angeles; George Livingston, cashier, First National Bank, Philadelphia; Derk Vloedman, Physican, Chicago; Grank Cutsam and "Smoky" Johnson, oil operators of Oklahoma. There are names more familiar to students and athletic fans of today. A representative group of these are Everette Hafer, coach, Bristow; Mose LeForce, coach, Pawnee; Ralph Meyers, Superintendent, Yukon; Avon Potter, coach, Fairfax. These are only a few of the members of the Lettermens Club who have gone out and have been successful in perpetuating and developing the true spirit of Central sportsmanship in athletics.

The purpose of the Lettermens Club as set forth by the preamble to the constitution, is in part, as follows:

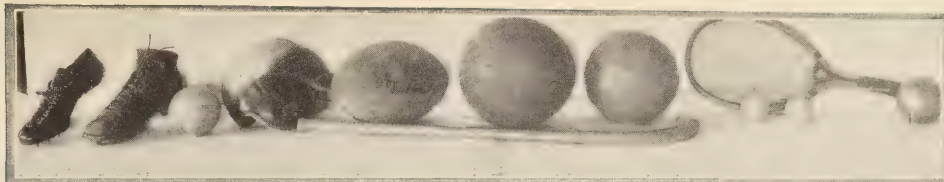

To perfect an organization, the membership of which is perpetuated from year to year; to create a better spirit of cooperation among athletes; to induce young athletes to come to Central; and to regulate the conduct of athletes in school. The club very readily accomplishes these things as designated.

As a means of inducing young athletes to come to Central, the Lettermens Club annually holds an invitation basketball tournament, open to all teams whose coach or Superintendent is a Central man. It is the custom for the club to give a banquet during each tournament for the coaches of the visiting teams, and for one man from each team. The tournament this year was the most successful the Club has held. Fifty-four teams entered, and fifty-two reported to participate in the tournament. This gave Central an opportunity to entertain 468 of Oklahoma's best athletes, some of whom certainly will be added to Central athletic squads in the future. The annual Lettermens banquet, given by Hattie Potter and Mrs. Holmes in the Domestic Science rooms, was attended by one hundred coaches and players. Plans were discussed for supplying Central squads with ample material for the different sports from year to year. It was agreed that each coach present should send at least one good athlete each year to join the ranks of Central Bronchos. Joe Williamson, president of the Club for 1926, set forth plans whereby the Club might be extended into an intercollege organization to control athletics in Oklahoma.

Thus we have the history, purposes, and accomplishments of the Lettermens Club of Central. Its members join in the cry of "More and better athletics in Central—and Oklahoma."

Letter Girls' Club

A healthy looking group! There's a reason. These girls hiked three hundred and fifty miles in nine months time and besides that, won honors in at least four sports.

It is a proud moment in the college life of a W. A. A. girl when she is presented a beautiful white letter sweater in special Assembly. All the aching muscles and blistered feet are forgotten in the joy of attainment.

Freshman Homecoming Float

The Freshman Homecoming Queen, Miss Betty Clarke, on the Freshman float was in the parade which greeted the Alumni Homecoming.

Popularity Contest

It has long been the custom of the student body of Central to hold a popularity contest in connection with the sale of the Bronze Book. Formerly the custom has been such that the largest class elected its candidates without difficulty, for of course no loyal member of one class ever voted for the candidates of another class.

This year, however, an innovation was made; in that the system of counting was so arranged, in respect to class size, that the smallest class was equal, potentially, to the largest. It worked. The Junior Class won, electing their representative, even though their membership was the smallest of the groups.

Two classes, the largest and the smallest, had an expert salesman each, to whose efforts is due no doubt the fact that the Junior representatives were elected, while the larger class ran a close second.

The staff wishes to thank the student body and their representatives for the active interest and hearty participation which has helped to make this publication possible. Its ultimate success has depended upon them.

SOCIETY

Year

Faculty Reception for Students

The Faculty Reception for the students was given on the evening of September 17, 1925. The President's office, the two outer offices and the halls were artistically decorated with autumn flowers and school colors. The students were received by President and Mrs. Mitchell and the new faculty members.

A program consisting of musical numbers and readings was given in the auditorium. At the close of the evening the guests were served with delicious refreshments, which carried out the school colors.

The High School students were received from 7:30 to 8:30 and the College Students from 8:30 to 10:30.

Criterion Tea

The Criterion Club opened the Social season by entertaining their rushees with a bridge tea which was given at the English Hall. The color scheme, old rose and gray, was carried out in a charming manner in the decorations and the delicious refreshments. Just before serving the guests cut for prizes, the winners being Mrs. J. G. Mitchell and Dorothy Neal. Additional guests of the club were Mrs. J. G. Mitchell, Miss Willa Claire Cox and Miss Bernice English.

Senior Get-Together

The first "Get-Together" meeting of the Senior Class was a wiener roast held early in the fall term at the Edmond Tourist Park. Following the picnic feast, a typical political campaign was staged at which candidates for president made stump speeches.

OTHER CLUBS ENJOY BARBECUE GIVEN BY SENATORS OF CENTRAL

Despite the fact that a chilly autumn breeze was in the air, a large group of students gathered at the English Hall Saturday, October 17, at 7 o'clock, and from there hiked to Tourists' Park where the Senators entertained with their annual outdoor barbecue.

Old-fashioned games were enjoyed during the early evening. The laughter and gaiety reminded one again and again that after all we are but children "grown-up".

When refreshments were served the guests formed a single line and passed by the stand where they were handed a plate on which was a barbecue sandwich, marshmallows, apples and a cup of coffee. Cups, bearing the word Senate, were given as favors.

Mrs. Fred English and Mr. Jamieson assisted in entertaining.

Tau Theta Kappa Club Rush Bridge

On September 28, 1926, the Tau Theta Kappa Club entertained with a Rush Bridge in the home of Miss Dorothy Tool when over twenty-five guests were received.

The rooms were beautifully decorated in the club colors, green and white, and the colors were also brought out in the favors and score cards. At the close of the afternoon high score went to the club's former president, Miss Ellen Tansel, and visitor's prize to Miss Doris Sparks.

Tsa Mo Ga Club Entertainments

The Tsa Mo Ga Club entertained with an informal tea at the home of Mrs. Spearman, Wednesday afternoon, October, 7, 1925. Besides the new girls Mrs. John G. Mitchell and several faculty members were present.

On Friday evening, October 30, in the Old North Tower the Tsa Mo Ga Club gave their annual party. The decorations carried out the Hallowe'en idea. After fortune telling and various stunts the remainder of the evening was spent in playing progressive "goblin".

Triumvirate Rush Tea

The Triumvirate "Rush Tea", was given at the home of Mrs. Wheeler Simmons, East Second Street, during the first week of school.

The color note of yellow appeared in baskets of golden glow, dahlias and yellow roses decorating the rooms. Yellow streamers fell from the chandelier to tiny fluffy yellow baskets which encircled the table, and were given as favors to the guests.

The Misses Dan Louise Holler and Lesta Max Griffin presided at the tea table.

The hostess was assisted in receiving by the Club Sponsor, Miss Lucy Hampton, and the President, Miss Lois Griffin.

The guests included prospective members and friends of the Triumvirate Club.

Shakespeare Rush Tea

Honoring their rushees of the fall term the Shakespeare Club entertained in October with an informal tea at the home of Miss Mary Annette Earp. Guests were received by Miss Earp, Miss Colleen Jim Kivlehen, the club president, and Miss Canton, the sponsor. Autumn suggestions and the club colors, pink and green, prevailed in the home and on the table where Mrs. Earp poured tea assisted by Hattie Gray Potter. Piano and vocal solos and readings by members of the club were enjoyed during the afternoon. About twelve guests were entertained.

Browning Club Entertains

The faculty and the other clubs of Central were guests of the Browning Club at a Halloween Party on the evening of October 23, in the Old North Tower. The rooms were charmingly decorated in Halloween colors. The guests arrived promptly at eight and entertaining through the "Chamber of Horrors" they arrived safely in the art rooms where they were entertained with games and fortune telling.

At the close of the evening the guests were served with delicious refreshments which were truly typical of Halloween.

Lyceum Social Events

Club interest was aroused at the outset by a wiener roast, which was attended by the club members and an equal number of friends. There followed a party, held about the middle of the year, at the home of Miss Margaret Tontz, former president. Again the club's friends were invited, and everyone had an excellent time playing games. Refreshments were served. The year was closed by another wiener roast, counterpart of the first. The year has been one of good-fellowship within the club and one of dual victory over her rivals.

Pioneer Rook Party

On the evening of November 20, 1925 Mr. and Mrs. Fordice entertained about thirty members of the Pioneer Club at a rook party in their home. A very pleasant evening was enjoyed by all.

Triumvirate Party

The Triumvirate Club entertained the various clubs, faculty and the football boys at their annual party, Friday November 20.

When the guests arrive they were each given attractive caps of orange crepe paper. They were then ushered into the art rooms which were beautifully decorated in the Thanksgiving colors.

The guests upon entering these rooms were given tally cards. Each one found his respective table where the progressive game of "Turkey" was played. Prizes were awarded to the player at each table who won the most games.

The Thanksgiving suggestions were carried out in the refreshments which consisted of neat sandwiches, cranberries, pumpkin pie and whipped cream, and hot chocolate.

Mrs. Estill Entertains Club Members

November 23, 1925, in honor of her birthday anniversary, Mrs. Estill entertained the members of the Tau Theta Kappa Club at a dinner in the lunch room of the Mitchell Drug Store. The room and tables were artistically decorated in large bows of the club colors, green and white. The members spent a very enjoyable evening. The only guests were President and Mrs. Mitchell and daughter, Mary Gordon.

Club Entertained with Bridge Party

A lovely Bridge Party was given by Bessie Lee Beddo on November 6, when the guests were the members of the Criterion Club and Sponsor. On entering the room the guests were given a tally card by the hostess. The room was beautifully decorated with old rose and gray, and flowers. The entire evening was spent playing bridge, Mrs. Harrison winning high score. A delicious plate lunch was served, carrying out refreshments which are typical of November.

Shakespeares Entertained

In November, 1925, the Shakespeares were delightfully entertained by Miss Betty McBrien, at her home on East Third street. The afternoon was spent playing Cootie. Mary Louise Finley and Mary Gordon Mitchell received favors. Shakespeare suggestions were carried out by the hostess in her tallies and menu, and hand-made corsages of candy flowers were given the guests when the delicious two-course refreshments were served. The club mascot, Mary Gordon Mitchell, and sponsor, Miss Canton, were among those entertained.

Christmas Bazaar

The Triumvirate Club held its annual Christmas Bazaar on the afternoon of December the eighteenth. The attractive gifts offered for sale were contributed by the girls who are in the Club this year and by members of former years. Tea was served to all visitors.

Christmas Party

On the evening of December the twenty-first, the Triumvirate had their regular meeting in the form of a Christmas party at the home of Mrs. Edgar Wax.

After a short, interesting program, gifts were distributed from the Christmas tree. Mrs. Mitchell, Mary Gordon Mitchell, Jane Wax and Betty Louise Wildman were guests of the club.

Tau Theta Kappa Club Entertained

On the evening of December 22, 1925, the members of the Tau Theta Kappa Club were entertained at a Christmas party at the home of Miss Cleo Randall, 315 East Third Street.

The rooms were decorated in red and white with large bells and festoon hung from the ceiling. At the front of the room stood a large snow covered Christmas tree, on which hung a present for each member.

After a delightful program, refreshments consisting of nuts, candy, oranges and pop corn balls added to the Christmas spirit.

Seniors' Christmas Party

Among social diversions of the year deserving special mention was the Christmas party given by the Seniors at the home of Mrs. Lelia C. Holmes, 425 West 21 street, Oklahoma City.

It was well attended and a general good time was enjoyed by all. Mr. Rogers played the role of Santa Claus in a realistic manner, distributing gifts from a Christmas tree in the dining room.

Honor guests were President and Mrs. Mitchell, Mrs. Estill, Mr. and Mrs. McCarrell, Mrs. Guy Rankin, and Mr. Holmes.

Shakespeare-Arena Christmas Party

Monday evening, December 14, 1925, the Shakespeare Club entertained the Arena Club at the home of Miss Colleen Jim Kivlehen on North Jackson with their annual Christmas Party.

Gay and Merry Christmas decorations adorned the home where the guests spent the evening dancing and pulling taffy. Punch was served during the evening.

The club had as its special guests Mr. and Mrs. Mitchell and Mary Gordon, Mrs. Canton, mother of their sponsor, Miss Ruby Canton, Mrs. Hale, Mr. and Mrs. E. L. Howell and Mr. and Mrs. J. D. Kivlehen.

Tsa Mo Ga Christmas Party

A Christmas Party was given by the members of the Club Monday evening, December 16, at the home of Mrs. Nolter. The singing of Christmas carols, a Christmas tree, and gifts for each one made the party a success.

Looking back along the road we have travelled each Tsa Mo Ga has a feeling of satisfaction for the past successes and an abiding hope in the ability of future Tsa Mo Ga's to make their trial surpass the old.

Criterion Christmas Party

The Criterion Club met for the Christmas Program at the home of Opal Gladys Smith. The home was decorated in keeping with the Christmas spirit; with holly, mistletoe, and an artistically decorated Christmas tree.

The program consisted of readings and music in keeping with the season. After the gifts were distributed from the tree nothing was heard for a time but the rustle of tissue paper and joyful exclamations as parcels were unwrapped. When the 'Thank You's' were said, gifts were compared and a little sack containing Christmas candy, oranges and nuts was distributed to each member. The club then departed with the hopes of meeting again at the next Christmas.

"Ye Olde Shakespeare Cabaret"

On the evening of February fifth, 1926, the Shakespeare Club entertained the faculty, members of the college clubs, and Letter Men's Club in "Ye Olde Shakespeare Cabaret" in the art rooms of the Old North Tower. Guests were met by Miss McBrien, the club president, Mrs. Potter, Miss Clarke, Miss Canton, and Mrs. Mitchell.

In "Ye Olde Cabaret" where attractive valentine decorations prevailed, the guests played progressive Cootie. During the refreshments a program of songs and readings was given by club members on the "Drury Lane Stage" and Valentine favors were given to the guests.

The Shakespeare Club was glad to have present several out-of-town guests.

Browning Club Picnic

On the evening of February 22, the members of the Browning Club hiked to the tourist park for a wiener and marshmallow roast. Mr. Watkins the club sponsor chaperoned on the occasion, assisted by Miss Della Porter and Mrs. Seymour.

Wieners, marshmallows and good humor were in abundance. All reported a very enjoyable evening.

Pioneer Club Picnic

Thursday evening, February 19, 1926, about sixty Pioneers met at the library building and went in a body to Lover's Rock for a wiener roast. A number of outdoor games were played before beginning to roast wieners and toast marshmallows.

Criterion Dinner

Honoring Mrs. A. Emma Estill, and members of the play cast, the Criterions entertained with a five o'clock dinner at the English Hall, Thursday evening, February 25, 1926.

The Club's colors, old rose and gray, were used in the decorations and appointments. A large bowl of pink roses formed the center piece of the one long table, with two smaller bowls of roses at either end. Pink candles in glass holders tied with bows of pink and gray ribbons were used on the tables.

During the course of the evening's program the Club presented Mrs. Estill with a handsome silver flower dish as a token of appreciation for her assistance given them in the presentation of the play "Daddy Long Legs".

Mrs. Meagher, assistant director of the play and Club Sponsor, was also the recipient of a gift from the Club.

Special guests were Mrs. A. Emma Estill, Bill Copeland, Wendell Simmons, Chauncey Cowles, Guy Donnell, Ted Berry and Brown Mayall. Others present were members of the Criterion Club.

Arena Barn Party

The first Barn Party at Central was given in 1921 by the Arena Club. It was a great success, so the Club voted to make it an annual affair.

At the Old North Tower March 19, the sixth annual party of this nature was held. The decorations for the occasion were hay, harness and farm machinery.

Guests clad in overalls and aprons left their dignity at home and enjoyed a time which would be described by our parents as the "Good Old Days". The evening was spent in games with a few Old Time dances such as the Virginia Reel, square and round dances.

Later in the evening refreshments were served. The original Arena Orchestra played "Show Me the Way to go Home" while the crowd composed of representatives from all Clubs and faculty members mounted their horses, buggies and wagons and started home from an event long to be remembered, and with a happy thought for next year's party.

Shakespeare Line Party

On Saturday afternoon, March 6, 1926, the Shakespeare Girls made merry with a line party to the matinee of "The Student Prince" at the Shrine Auditorium in Oklahoma City.

The excursion-matinee, refreshments and the drive home was different from other club activities and was thoroughly enjoyed by all who went. The girls felt fortunate in having with them Miss Canton, Mrs. Canton, Mrs. Mitchell and Mary Gordon.

Criterion's April Fool Party

On the evening of March 26, 1926, the Criterion Club entertained the faculty and other clubs of the school with an April Fool's Party, one of the most delightful parties of the year. The Old North Tower, the scene of the party, was decorated in the Criterion and April Fool colors; old rose and grey, and red and white. The guests arrived promptly at eight o'clock and were met by two members of the club who presented each guest with a toy balloon. Games of various kinds were played until 9:30 o'clock. The remainder of the evening was spent in dancing, the music being furnished by the Arena Orchestra. At the close of the evening the guests were served with delicious refreshments which carried out the old rose and grey color scheme. Punch was served throughout the evening.

Shakespeare Bridge-Dinner

Thursday evening, March 18, 1926, Miss Alice Cochran entertained the Shakespeare Club members, pledges, and sponsor Miss Canton, and honorary member Miss Cox at a delightful six o'clock bridge-dinner at her home on North Normal street.

A delicious three-course dinner was served to the girls who sat at seven small tables, each table having covers laid for four. Easter suggestions were carried out in the appointments.

In bridge following the dinner, favors went to Pauline Bebout, Meryle Surbeck and Elizabeth Jackson.

Colleen was very curious about sardines, and her mother started to tell her about them by saying: "these little sardines are sometimes eaten by larger fish."

"But mother," said Colleen, "do the large fish get the cans open?"

Greer: "Hey, is that a good cigarette you picked up there?"

Muzzy: "Its nothing else butt."

Pup McClintock (painting a lion): "There's a saying that a lion is not so fierce as he is painted."

Fred Gibson: "Maybe so, but your painting is pretty fierce."

"Thanks for the Buggy Ride."

RODKEY'S BEST FLOUR

Where can a man buy a cap for
his knee,
Or a key for the lock of his hair?
Or can his eyes be an academy,
Because there are pupils there?
In the crown of his head what gems
are found?
Who travels on the bridge of his
nose?
Does the calf of his leg get hungry
at times,
And devour the corn on his toes?
Can the crook of his elbow be sent
to jail?
Where's the shade from the plam of
his hand?
How does he sharpen his shoulder
blades?

“If the President, Vice-President
and all the members of the
Cabinet should die, who would
officiate?” asked Miss Hampton.
Walter Marks tried hard, but in vain,
to think of the next in sucession un-
til a happy thought struck him.
“The Undertaker,” he exclaimed.

Judge: “I understand, mada n,
that you want a divorce, but on
what grounds?”

Woman: “Any, your honor, as
long as he ain't allowed on them.”

Mrs. Jones: “I saw a perfect love
of a hat today.”

Mrs. McGehee: “Did you buy it?”

Mrs. Jones: “Not yet. I've got to
pick out a more expensive one for
my husband to refuse to buy so
we can compromise on this one.”

A doctor was called in to see a negro
who was down with influenza.
“What I gwine to git him?” asked
the wife.

“Give him whiskey,” the physician
responded.

“How much does it cost?”

When the doctor named the price
of good whiskey per quart the wife
responded:

“I can bury him cheaper dan dat.”

Business Training Makes Better Teachers

IT WILL ADD MANY DOLLARS TO YOUR INCOME

The Teachers who have business training always know what they will do in the summer. They have an earning power which they can use at any time they need money. It helps them in their school work.

The Business Trained Teachers can advise young people in the lines of business for which they should train and help many young people to succeed.

If you prefer to teach commercial subjects, our Complete Business Course which includes thorough courses in Bookkeeping, Banking, Gregg Shorthand, Typewriting and many other helpful subjects, is just the course you need to hold a good Commercial Teaching position.

Hill's Business College is Accredited by the National Association of Accredited Commercial Schools and the State Board of Education.

A course at Hill's is a good training for anyone wanting to enter business. Not only is every student trained thoroughly but every graduate is given a life membership in our Employment Department which includes membership in the employment departments of the 300 other members of our association throughout the United States and Canada.

You will want to be entirely familiar with the big opportunities in business. Let us send you our Free book, "Through Hill's to Success." It is an inspiration to read it!

SPEND A PROFITABLE SUMMER IN HILL'S THIS YEAR

11 WEEKS — BEGINNING MAY 31 OR JUNE 7 - - \$44.

Nota Bates: "No, the only men I kiss are my brothers."

Wendell Simmons: "Say, what lodge do you belong to?"

Faye Sandlin: "I rejected Joe. He now says he is desperate. Do you think he really is?"

Lois Griffin: "They often are. Next thing you know he probably will marry your best chum."

Arthur Walters: "What have I to be thankful for? I can't pay my bills."

Eugene Young: "Then be thankful you aren't one of your own creditors."

Mary Annette Earp: "I'd like to go for a long holiday where I'd be entirely cut off from the world."

Morris Wells: "Why not try a telephone booth?"

Dolores Crabb: "A College has just made me a Doctor of Literature."

Dorothy Neal: "What did you ever write?"

Dolores Crabb: "Well, I wrote a nice fat check."

Poor Marian: She thought the doctor was trying to flatter her when he told her she had acute appendicitis.

Palace Barber Shop

It pays to stop at the barber shop,
With a barber at each chair
Who earns his fees by trying to please
Who does his work with care,
From hair-cut job to fancy bob,
To singe, massage, shampoo.
An easy shave we also have
That's equaled by but few.
The work we do for all of you
Will be right up-to-date.
And the PALACE Shop is the place to stop
We beg once more to relate.

H. G. HEALD, *Agent*

Oklahoma

“How did you make it at school this week?” inquired the father at the dinner table.

“Hadn’t we better discuss something else?” said John Thomas. “I have been taught lately that dinner talk should always be pleasant.”

Young son of Mr. Howell: “Papa, what is the bone of contention?”
Mr. Howell: “The jawbone, sonny.”

One of the easiest things to get in this world is “get left,” and one of the quickest places to go is to “go broke”.

“When that girl on the back row gets through yawning we shall proceed.”
—Guess who said this.
